

Twin Bridges Golf Club is open to the public and open year-round! It was opened in 1997 and has become one of Indiana's premiere golf courses receiving a four star rating from Golf Digest. Twin Bridges Golf Club was also awarded Hendricks County Best Golf Course in 2007. This Robert Lohmann original design features eighteen remarkable holes skillfully placed along White Lick Creek and laid out in equally dramatic fashion over its 250+ acres. The front nine is known for its larger greens and fescue lined bent grass fairways while the more traditional back nine offers rolling hills and tightly guarded greens.

Twin Bridges Golf Club offers golfers the opportunity to fine tune their games on a large bent grass driving range and practice facility. They have a Director of Golf available for group, camps, and private lessons. The Driving Range also has a nice selection of target greens and chipping/putting greens that will allow you to hone in on your short game!

About the Chamber

The Greater Danville Chamber of Commerce was established to promote new business and commercial growth as well as retention and expansion of existing businesses. Today, the Chamber's office staff work with the Town of Danville to promote the common interests of the community in order to encourage new business and enhance the quality of life of the residents.
