

The Greater Springfield Chamber of Commerce

President & CEO Opening

As the second largest Chamber of Commerce in the State of Illinois, GSCC enjoys a healthy membership of over 1,300 local businesses from a variety of industries. Since 2010, GSCC has maintained a 5-star accredited chamber status by the U.S. Chamber of Commerce, its highest level of accreditation for which only 1% of Chambers across the country achieve. This position would oversee a cohesive team of 5-6 high performing professionals, including a leadership team with a combined tenure of 45 years, who provide membership, events, and administrative services for the organization. The successful candidate would be visionary, have a reputation of the highest integrity, and project a positive image to the membership and community. He/she would model the Chamber values of dedication, teamwork, and conduct themselves as a servant-leader with staff and membership. The ability to nurture and foster community relationships, advocate on behalf of the business community at the local, state and federal levels, and determine and meet strategic goals are all necessary for this highly visible community leader.

The individual will maintain a daily, physical presence at The Chamber office but will spend a great deal of their time meeting with active members, other community leaders, and elected officials. Compensation includes base pay, a bonus opportunity, and a generous benefit package. The Chamber offers a positive, helpful, flexible and enviable work environment.
