**GREATER
ROCHESTER**
CHAMBER OF COMMERCE
*Our Mission: Advance and promote the
prosperity of its members and enhance the
quality of life in the greater Rochester area*

April, 2020

Since the COVID-19 (Coronavirus) crisis began a few weeks ago, your Chamber has been gathering data to help our member businesses and community work through this together.

A special web page, that is updated regularly, was developed to provide you with information and resources to help your business. We encourage you to review this page often at www.rochesternh.org/COVID-19 as information continues to be updated.

We are living in very unfamiliar surroundings. Social Distancing is the new plan of action. To help limit the spread of the virus, the Governor issued a Stay at Home order, other than for essential businesses. Many have closed their businesses in an effort to keep employees and the public safe. To limit gatherings, an executive order was placed forcing restaurants to close their doors to dining patrons and only provide takeout and delivery services. Schools have been closed and students are now undergoing remote learning.

As an organization that brings members together to network and gather at events, the Chamber cancelled or postponed some of its upcoming events. And meetings are currently being done remotely.

As we continue to assess the impact on business, we ask that you complete a short survey. Your Chamber is speaking regularly with City, State and Federal officials to communicate the impact and discuss methods and programs to ease the burden. The link to the survey can be found on our home page or [here](#).

We continue to reach out to you to hear how your business is managing and learn of adjustments that are being made to your operations. We are issuing weekly e-blasts and social media posts to help you communicate to customers and the public. Please see inside to learn about our new campaign—"We're Open for Business". Please submit your business updates to memberservices@rochesternh.org.

Your business is important to us and we will work together to overcome this challenging time.

Sincerely,

Your Board of Directors and Staff

Committee Involvement

Members and their employees can get involved with Chamber committees which provide an opportunity to meet other businesses, increase business contacts and be better involved in your community.

Committees Include:

- Ambassador Committee
- Chamber Raffle & Bash
- Community Expo
- Golf Committee
- Governmental Affairs Council
- Tree Lighting & Holiday Parade
- Young Professionals

Ambassadors Corner

AMBASSADOR COMMITTEE PROVIDES OPPORTUNITY FOR BUSINESS CONNECTIONS

The purpose of the Chamber's Ambassador Committee is to build professional relationships through personal contact with Chamber members in an effort to retain the membership base and generate involvement. Ambassadors serve as the liaison between the membership, the board and staff to insure member satisfaction. They also raise awareness of Chamber benefits and services, notify members of activities and assist at events. Ambassadors meet on a quarterly basis. To learn more on how you can benefit from serving on this worthwhile committee, contact Laura at 332-5080.

United States[®]
**Census
2020**

U.S. CENSUS COMING THIS MONTH HELP ROCHESTER GET AN ACCURATE COUNT

Nearly every household will receive an invitation to participate in the 2020 Census either in the mail or from a census taker beginning this month. All will have the option of responding online, by mail or phone. The census is a count of every person who lives in the United States and its territories. It happens every 10 years. You and your employees will be asked to count everyone who lives in their home as of April 1. Responding to the 2020 Census is a chance to shape your future.

It is very important that everyone be counted. Responses inform where over \$675 billion is distributed each year to communities nationwide for clinics, schools, roads, and more. Census data also gives community leaders vital information to make decisions about building community centers, opening businesses, and planning for the future. Your responses to the 2020 Census are safe, secure, and protected by federal law. Your answers can only be used to produce statistics.

Did you know that NH received \$3.7 billion guided by data derived by the 2010 Census?

From planning, roads, infrastructure, social services and economic development, including USDA loans/grants, business and industry loans, etc. the 2020 Census is vital. As many federal grants are based on the Census count, ensuring that each resident in our state is counted ensures that NH receives its fair share of funding.

Let's make Rochester count!

Help spread the word to your employees so we can get an accurate count.

As area chambers along the seacoast continue to help member businesses work through this situation, the Seacoast Chamber Alliance, made up of the chambers located in communities of Dover, Exeter, Hampton, Portsmouth, Rochester and Somersworth, have collaborated and developed a Facebook page known as Seacoast Strong where area businesses can offer ideas, share stories on how they are working through this crisis. Be sure to join the group at www.facebook.com/groups/SeacoastStrong.

COVID-19 Business Assistance Information & Updates

The Greater Rochester Chamber of Commerce continues to monitor the evolving Coronavirus Disease (COVID-19) situation. The safety of our members, volunteers and staff are of the utmost importance during this time. Due to the current Declaration of Emergency in our nation and in New Hampshire, the Greater Rochester Chamber of Commerce has cancelled or postponed scheduled events and will continue to make adjustments as needed. The success of our members is always our priority.

SBA Business Assistance Program

The U.S. Small Business Administration is now offering low-interest federal disaster loans to the entire state of New Hampshire for small businesses suffering as a result of the Coronavirus (COVID-19). Disaster loans provide vital economic assistance to small businesses to help overcome the temporary loss of revenue. For more information visit www.sba.gov.

Families First Coronavirus Response Act (FFCRA)

FFCRA will take effect April 1, 2020.

FFCRA will help the United States combat COVID-19 by giving all American businesses with fewer than 500 employees funds to provide employees with paid leave, to allow for the employee's own health needs or to care for family members. This ensures workers are not forced to choose between their paychecks and public health measures while at the same time reimbursing businesses.

UNEMPLOYMENT BENEFITS

The one-week waiting period for filers has been waived. Individuals who are unemployed or have lost hours due to coronavirus are able to file for unemployment benefits. All filings must be completed online. The following increased benefits have been approved. Increased weekly minimum benefit from \$32 a week to \$168 a week for those on Pandemic Unemployment Assistance. Adding an additional \$600 per week to individuals' benefits. Extending the maximum length of benefits by 13 weeks to 39 weeks. For more information visit nhes.nh.gov.

Coronavirus Aid, Relief and Economic Security (CARES) Act

The CARES provides \$377 billion in small business aid, defers federal student loan payments through Sept. 30th, and provides \$100 billion for hospitals and \$200 billion for other "domestic priorities," including childcare and assistance for seniors. It gives a one-time check of \$1,200 to Americans who make up to \$75,000. Individual tax filers or married couples would receive an additional \$500 for each dependent child 16 years of age or under.

What's Been Going on at the Chamber?

2020 Census FAQ

What is the census?

The census is a count of every person who lives in the United States and its territories. It happens every 10 years. In early 2020, you will be asked to count everyone who lives in your home as of April 1. Responding to the 2020 Census is a chance to shape your future.

What's in it for me?

Your responses inform where over \$675 billion is distributed each year to communities nationwide for clinics, schools, roads, and more.

Census data gives community leaders vital information to make decisions about building community centers, opening businesses, and planning for the future.

Responding also fulfills your civic duty because it's mandated by the U.S. Constitution. The United States has counted its population every 10 years since 1790.

Your responses are used to redraw legislative districts and determine the number of seats your state has in the U.S. House of Representatives.

Is my information safe?

Your responses to the 2020 Census are safe, secure, and protected by federal law. Your answers can only be used to produce statistics. They cannot be used against you by any government agency or court in any way—not by the FBI, not by the CIA, not by the DHS, and not by ICE.

When can I respond to the census?

In early 2020, every household in America will receive a notice to complete the census online, by phone, or by mail. In May, the U.S. Census Bureau will begin following up in person with households that have yet to respond.

What will I be asked?

You will be asked a few simple questions, like age, sex, and the number of people who live in your home, including children.

What won't be asked?

The census will never ask for Social Security numbers, bank or credit card numbers, money or donations, or anything related to political parties.
