**GREATER
ROCHESTER**
CHAMBER OF COMMERCE
*Our Mission: Advance and promote the
prosperity of its members and enhance the
quality of life in the greater Rochester area.*

May, 2020

Your Chamber continues to provide updated information and resources surrounding the COVID-19 situation. Much continues to transpire as we all try to work through being safe from the virus. We see some hope ahead.

The Governor has issued a Stay at Home 2.0 through May 31, 2020 with some reopening of business occurring. While we continue to maintain social distancing, we are beginning to see some signs of hope as some of more businesses are being allowed to reopen. All of the guidelines can be found at <https://www.governor.nh.gov/news-media/stay-at-home/>.

Your Chamber continues to issue regular e-blasts and social media posts with updates on what is changing and finding ways to promote our members. We began a series of remote webinars last month, known as **Community Connections**, sponsored by [Atlantic Broadband](#).

These remote programs feature a panel of speakers to present and discuss information to keep businesses informed on COVID-19 topics including available loan programs, how education is changing and what we can expect in the future, health care and testing amid COVID-19, updates from city officials, cyber security and more.

We began a We're Open for Business campaign to help our members communicate business operation changes to customers and the public. As businesses begin to reopen and resume business operations, we understand there will be assistance needed. We remain here to help you.

A **Gift Card Wednesdays** promotion began in an effort to gather support for local businesses by purchasing gift cards.

Let us know what we can do to continue to help you through this situation and upon reopening.

Now, more than ever, our local businesses need community support! Please join us in committing to purchasing a gift card to a local business every Wednesday for the next month. This provides the business with much needed cash flow, while you will be able to redeem it later. Restaurants, Gas Stations, Dry Cleaners, Hardware Stores, Bakeries and more. Many businesses have gift cards available online or have a curbside pick-up option, after they take your information over the phone. Many small businesses are still waiting on federal assistance (don't even get me going) and struggling to keep their doors open. Let's show them that we support them!

As area chambers along the seacoast continue to help member businesses work through this situation, the Seacoast Chamber Alliance, made up of the chambers located in communities of Dover, Exeter, Hampton, Portsmouth, Rochester and Somersworth, have collaborated and developed a Facebook page known as Seacoast Strong where area businesses can offer ideas, share stories on how they are working through this crisis. Be sure to join the group at www.facebook.com/groups/SeacoastStrong.
