## SEACOAST CHAMBERS PARTNER WITH STATE ON COVID-19 MEASURES

The Greater Rochester Chamber of Commerce, along with The Chamber Collaborative, Greater Dover, Exeter Area, Hampton Area and The Falls Chambers of Commerce, are partnering with the State and each other to assist with business needs and recovery efforts amid COVID-19.

Working together to help our business communities, each we will develop the following programs:

**Seacoast Safe program** to support Seacoast businesses and increase consumer confidence.

**Seacoast Landing Page** will aid Seacoast businesses in COVID-19 recovery and preparation for the future through a one-stop web page.

**Seacoast Economic Recovery Program** to assist small business owners that are in need of help during the COVID-19 recovery period.

**Seacoast Destination Marketing** campaign will mitigate the negative impact of COVID-19 on businesses. The tourism industry was the hardest hit industry in New Hampshire by COVID-19 and the campaign is focused to bring tourism to the region to help rejuvenate those businesses affected.

**Seacoast Workforce Development Program** – Seacoast region towns and cities were among some of the hardest hit in the state in terms of unemployment when the COVID-19 pandemic began. The program is designed to respond to the effects COVID-19 has had on the region's workforce.

**Seacoast Chamber Alliance Business to Business Plan** will ensure businesses in the region have the tools to recover successfully from the COVID-19 pandemic.

### "Staying Current in Trying Times"

By Paul Gatehouse  
Independence Financial Advisors, LLC

It's been over 6 months since COVID-19 has become part of our lives. Many of our local businesses have had to reduce hours, layoff staff, close, reinvent themselves and now work on reopening under new guidelines.

The Rochester Chamber has been an important link throughout, keeping you and the community up-to-date with resources available to businesses, what's going on in the community and the state, and keeping you current on information from the Governor's Office that effects your business.

In this time of social distancing and strained budgets, the Chamber gives you a great way to communicate with others through E Blasts, advertising on the Chamber newsletters and events.

Get outside and enjoy the foliage!

## Operation

*Thank  
you*

**October 14-16, 2020**

Sponsored by:

The Chamber is looking forward to thanking its members this year as part of its annual **Operation Thank You**. Although we won't be able to personally greet members in person this year and hand out printed directories, amid the COVID-19 situation, the Chamber's Ambassador Committee is leading the charge to personally call members over a 3-day period.

Operation Thank You is sponsored by **First Seacoast Bank** and will be held from Wednesday to Friday, October 14-16 2020.

Volunteers are being sought to take part in this annual effort to reach out to member businesses and thank them for their support of the Chamber. In addition to helping the Chamber reach all its members, this effort also provides a good opportunity to make connections with businesses. The Chamber will provide volunteers with a list of 10-25 businesses. Volunteers will be provided a few days in which to contact those members on their list. Contact information and information to discuss will also be provided.

Our thanks to First Seacoast Bank for their support of this annual event.

We hope you will consider being part of this fun effort. Please contact Tanya at the Chamber office at 603-332-5080, x2 or via email at [memberservices@rochesternh.org](mailto:memberservices@rochesternh.org).
