# Welcome to The ULSTER COUNTY REGIONAL CHAMBER OF COMMERCE

## OVER A CENTURY OF SERVICE

The Ulster County Regional Chamber of Commerce is a private business membership organization working to advance the economic health and vitality of Ulster County. With a membership of 1,000 businesses and organizations that employ over 20,000 local workers, the Ulster County Regional Chamber of Commerce is the largest business-advocacy organization in the region.

Through the energy of its staff, board and volunteers, the Chamber represents the interests of the business community and helps businesses solve problems and promote themselves through shared experiences, ideas and resources. We believe that it is through our collective experience and knowledge that we can accomplish together what no one voice could do individually.

## MARKETING OPPORTUNITIES

### WEBSITE & PRINT LISTINGS

One of the most significant benefits of membership in the Ulster Chamber is promotion in print and online. All members are listed in our keyword-searchable online directory with all contact information. Members are also listed alphabetically and by category in our annual Community Resource Guide & Membership Directory. This full color directory is distributed extensively throughout the region and is included in all relocation packets. Preferred Website Listings are also available for a nominal annual fee.

### MONTHLY NEWSLETTERS

"ChamberNews," the official newspaper of the Ulster County Regional Chamber of Commerce, is printed and distributed to 15,000 Daily Freeman subscribers each month. It keeps members informed about Chamber events and features stories on our members each month. New members receive a free business card size ad in "ChamberNews," which is valued at \$150. The Newsletter is also posted and archived on our website.

### ULSTER CHAMBER EATERIES UNITED

The Chamber currently administers a Facebook Group 'Ulster Chamber Eateries United' to promote all the great local restaurants, delis and cafes in our region. This is an industry that has been deeply impacted by the pandemic. The purpose of the group is to provide a central location for restaurant owners (as well as consumers) to post pictures and add descriptions of their favorite meals. The Group immediately attracted a huge following and today boasts over 19,000 members.

### ULSTER CHAMBER SMALL BUSINESSES UNITED

The Chamber also created another Facebook Group, 'Ulster Chamber Small Businesses United.' This group allows all small businesses in the Ulster County Region an opportunity to promote themselves to other chamber members, as well as the general public.

### RIBBON CUTTING CEREMONIES

The Ulster Chamber assists members by conducting a Ribbon Cutting ceremony for opening new businesses, expanding and renovating current businesses, and businesses that are celebrating

a significant anniversary. Local officials and the media are invited to attend. Each Ribbon Cutting event is posted on our popular social media platforms.

## MAKING CONNECTIONS

### BUSINESS REFERRALS

The Chamber actively promotes members and their services through staff referrals, direct links from the Chamber's website, the Chamber newsletter "ChamberNews," and through the many networking opportunities available for members. Our "KEEP IT LOCAL" initiative encourages members and the community to do business locally and support our Chamber members.

### BREAKFAST MEETINGS

Our monthly educational and informative breakfast meetings are held at The Venue Uptown at the Best Western Plus in Kingston, as well as at other venues around Ulster County, from 7:30 to 9:00am. Our meetings feature speakers who are well known and respected, including local elected officials. During election season, Chamber breakfast meetings become Meet the Candidates forums, to ensure our members are well informed about issues of importance.

### NETWORKING MIXERS

Monthly Mixers offer a great opportunity for Ulster Chamber members to meet other business leaders and promote their business. A different venue is featured each month with complimentary food and drink provided. These are held after work from 5:00 - 7:00 pm and are always well attended.

### BUSINESS CARD EXCHANGES

These events are held quarterly and provide Chamber members with an opportunity to network and fine tune their elevator speeches.

## PROGRAMS & EVENTS

### BUY LOCAL EXPO

This is one of the Chamber's signature events, held every fall at the Diamond Mills Hotel and Conference Center in Saugerties. The Expo is open to the public and promotes local and regional businesses and organizations. It is heavily promoted in the "ChamberNews," on our website, in newspaper ads and on local radio.
