SCTA's Fall Management Conference
Hosted by the Safety & HR Management and
Technology & Maintenance Councils
November 13-15, 2020

COVID has eliminated a bunch of the "fun," however we still need to accommodate attendees's needs and recognize our drivers, technicians and their families properly. In order to help defray the cost of the Safety & HR Management and Technology & Maintenance Council Annual Meeting, we need the financial support of our council members and allied members.

If you are interested in contributing, complete this form and return it with your check or credit card information before October 30, 2020. If you have questions, please call Taryn Shekitka, SCTA at 803-799-4306 or taryn@sctrucking.org.

Thank you for supporting the working Councils of SCTA!
