*Gardening is an art,
and all gardeners are artists.*

Each of these unique gardens will also provide you an opportunity to meet an artist.

Garden 1- A farmyard garden featuring an owner-built barn as well as, iron work and wood work. Owner will be offering items for sale. Meet artist Rob Thurston.

Garden 2- A family compound that includes a large vegetable garden, a small fruit orchard, blueberries, a children's play area, natives and specimens and an enclosed flower garden. Meet artist Kyle Osvog.

Garden 3- A neglected garden in the backyard of a stately Victorian being rehabilitated by a novice gardener. Meet artist Mike Browning.

Garden 4- A lush, in-town Southern Classic Garden featuring owner designed paths, hydrangeas, camellias, ferns and a variety of antique items including a British chimney crown, and a fountain made from the family's old syrup kettle. Meet artist Preston King.

Garden 5- A delightful shade garden with owner-built walls, porches and patios. This garden also shows one way to successfully plant a steep front yard. Meet artist Kathrine Allen.

Garden 6- A master gardener shares her suburban deer resistant garden, which also includes a number of repurposed and or found items. Meet artist Suzanne Allison.
