Tuesday, May 23rd at 4:00 p.m. -[Ribbon Cutting at Jackson Escape Games](#) Location: 12 Second Street in Jackson. Come see what this new business is all about! Fun for tourists and local folks.

Wednesday, May 31st at 10:00 a.m. -[The Leadership Butts County Class of 2022-23](#) will dedicate their picnic table on the square in Jackson. This was their class project to help provide something to enhance our community. The concrete pad that the table sits on was provided by [Southern Readymix](#). Following that ceremony, we will walk over to the Mesquite Building (corner of 3rd St. and Mulberry St.) to hold a ribbon-cutting ceremony for the new murals.

2023 Membership Drive

The Butts County Chamber of Commerce has decided to extend its Membership Drive for the month of May. If you are a current member of the Butts County Chamber of Commerce and you bring on a new member who completes the application process by May 31st, your name will be entered for a raffle prize of \$250, and the new business you bring on will be eligible for a raffle prize of \$250 as well. Applications for new members can be found online at www.buttschamber.com, or they may request one from our office. Have them contact us at 770-775-4839 or email Ldurden@buttschamber.com. Have them mention that you referred them, or send me an email and let me know who you referred! Drawing for the raffle prize will occur and be announced on June 1, 2023.

MORE INFO ABOUT THE FESTIVAL

Nick's New Beginnings is excited to announce the 1st Annual All Recovery Festival on May 27, 2023, from 11:00 a.m. to 4:00 p.m. in Jackson, Georgia. This is a free festival with the focus of bringing together our recovery community throughout Butts County, middle Georgia and beyond. You'll join others who are full of hope, compassion, and energy. The Recovery Festival's speakers will leave you feeling empowered and will change the way you view and interact with the world around you. This event is open to all! Whether you are in recovery, have a loved one in recovery, or just want to show your support and encourage those on this amazing journey, there is a place for you.

This festival is free to all participants, but we need sponsors to make this event run!

JUNETEENTH CELEBRATION

Freedom Day!

Join us for complimentary dinner
and inspirational music!

We do not know their names,
but we know their history and
the price they paid for our freedom.
It is because of their courage and
perseverance that people of color
can stand in power today.
Let us celebrate and honor them
all of our days.

*The souls of the righteous are in the hands of God,
and no torment shall touch them.*

- Learn Six-Sigma
- OSHA-10
- Basic Forklift Operator
- Math Measurement
- Blue Print Reading

FOR MORE INFORMATION

Please Contact:

Economic Development

economicdevelopment@sctech.edu

The **Manufacturing READY** program at Southern Crescent Technical College is an intensive, 3-week course that prepares students for a successful career in the manufacturing field. **Manufacturing READY** is geared toward those who may be unemployed or underemployed, have little to no manufacturing experience but who wish to enter or re-enter the workforce with new, in-demand skills! Students will get connected to partnering manufacturing companies and that often leads to a great job.

Informational Session | 6 PM

Wednesday, June 21, 2023

Butts County Center

1578 Highway 16 West Jackson, GA 30233

Program Requirements

Must have a high school diploma or GED

Reliable transportation

Must be 18 years of age or older

Must complete an electro-mechanical aptitude assessment

Must be ready to begin a career in Industrial Maintenance

INDUSTRY-RECOGNIZED CREDENTIALS

Upon successful completion, graduates may earn up to three (3) industry-recognized credentials:

- Learn Six-Sigma
- OSHA-10
- Basic Forklift Operator
- Math Measurement
- Blue Print Reading

FOR MORE INFORMATION

Please Contact:
Economic Development
economicdevelopment@sctech.edu

The **Industrial Maintenance** program at Southern Crescent Technical College is an intensive 14-week course that prepares students for a successful future in the field of industrial maintenance. Industrial maintenance is also known as plant maintenance, or the process of trouble-shooting and repairing necessary equipment and machines. This program is geared toward unemployed or underemployed individuals with little or no experience in the field but who want to enter or re-enter the workforce with new, in-demand skills! The program includes theory and hands on skill training and introduces participants to the fundamental concepts and skills required by Electro-mechanical technicians in manufacturing.
