

2016 Reidsville Business Showcase

The Reidsville Chamber of Commerce cordially invites your business to join us for the 9th Annual Reidsville Business Showcase to take advantage of an opportunity to promote your business. This year's Reidsville Business Showcase will be held October 19-20, 2016.

This year's Business Showcase is sponsored by Unifi Manufacturing, Inc. In order to feature Unifi's REPREEVE line, we will again be turning the Showcase "Green", and emphasizing the importance of recycling and its potential to create new and useful products for everyday use.

As part of this year's Showcase, we are partnering with RCC and Rockingham County Schools to host our 2nd Annual Career Fair. The Career Fair will be closed to the public, and will take place the morning of Thursday, October 20th. Juniors and Seniors from Rockingham Co. High School and Reidsville High School, who are not planning to attend 4-year colleges, will be targeted and put into 'Career Clusters' based on their interest. Chamber Members and local businesses will represent the various career clusters, as designated by the state curriculum. Students will be able to visit with, and participate in 'hands on activities' to be exposed to careers in their designated cluster. We want to let students know about the career opportunities Rockingham County has to offer!

We look forward to your participation in the 2016 Reidsville Business Showcase!

Mission: To foster support of Reidsville & Rockingham County Businesses through a fun and interactive community event.
