Lucky City Co Op Brewery September Member of the month. One of the things that we have always said was that it is awesome when a member steps up and does something to help the Chamber or the Community. Another time we say that it is awesome is when we nominate a member who is need of some recognition. Well, Lucky City Co Op Brewery is both. They have been a member of the Chamber since their inception, volunteered to help us at numerous events, participated in the showcase, and are also Gold Chamber Champions, even before construction of their building has begun! Lucky City is something that is good for Reidsville and is going to help make the continued revitalization of downtown a huge success. They are doing 50 members in 50 days campaign starting this Friday and carrying them through to the Downtown Jubilee on Saturday October 19th. This will help them meet their \$10,000 goal to begin construction. We appreciate what they are doing for Reidsville, for downtown, the Chamber and they are going to make great neighbors!

They would make a great member of the month!

President's Report August 2019

Leadership Rockingham: The program is on track to begin in September as originally planned. We will have a retreat on opening day followed by lunch and a leadership activity – canoeing the river in Eden.

Economic Development Updates (Partnership with City Staff):

We have scheduled the NCDOT panel for September 13th at Pennrose Park County Club. The membership, elected officials and many other developers and key players are being invited to this forum with the NCDOT Transportation committee. There will be media interviews set up for afterwards to further our narrative about the impact of I785 on Reidsville and the surrounding area.

Business Coalition Meeting: Waiting for next quarter to be scheduled.

RDC Board & Promotions Committee Meeting: Our beer gardens are hit or miss but I hope that the overall take away is that it is a good service for Reidsville and hopefully profitable for the Chamber. Promotions Committee is working on the Main Street 4-point Approach and RDC Work Plan for our committee. Mainly up next is branding downtown. We also are planning for Festival and Casino Night (after all the summer events).

Community Pride: There was a great debrief meeting and much discussed about how to improve and make efforts to take this event back to the original plan. The date has been discussed at length and is set for next April.

MLK UNITY FUND: We host next year. It will be turned over to us this summer. The sponsorship letters will go out in October. We have asked Dr. Kenneth Ruff to speak at our breakfast. He was a teacher for the band in Rockingham County at Holmes and Morehead and is now the director for the A & T University Aggie Marching Band.

GOLF TOURNAMENT: The Golf Tournament was a huge success. We are very pleased with the day of the tournament and the participation. We will have a final number for you soon. We are already booked for next year and expect a larger crowd. Thank you for the support during this change for us!

Business Showcase: This is going very well. We have several forms in already and I expect to see those increase over the next couple of weeks as a “back to school” routine is established with less frenzy of vacations.

Business Directory: We have started meeting with the News & Record early this year to get a jump start on the directory. The photoshoot is slated for September 4th. We are using one of our member photographers and I will be working with staff and Exec Board to select stories.

Nominating Committee: The board nomination committee will be meeting next month. Please submit any names to me by Friday September 6th for the committee to entertain.
