Member of Month

The purpose is to identify businesses that have gone the extra mile for the Chamber and/or the community. This is a form of highlighting our Chamber members to show our support of the deserving business. It's an added value benefit of being a Chamber Member. When a business does something exceptional they are recognized for it. They will be recognized in the News & Record Chamber page, the last Sunday of the month & are given two signs to put up one inside and one outside of their establishment. It's also a way to help engage members and build their business.

History of MOM

This award originated from the Yadkin Valley Chamber of Commerce, where Denise saw signage in a business in Mt. Airy, and thought it was something the Reidsville Chamber should begin. Below are some examples of the criteria that we use to recognize our Chamber member businesses.

Criteria Guidelines

- Hiring in the community
- Expanding your business
- Charitable contributions to the community
- Special participation with the Chamber
(This includes volunteering, donating times/products/services/goods, and financial contributions – i.e. special fundraisers/programs like Leader in Me, Reidsville Business Showcase, etc.)

Nominee:

LADJ Larry Abbott–April Member of the Month. Larry Abbott, better known as LADJ came recommended to us through Judy Yarbrough at the City of Reidsville two years ago. When we contacted him, he was very excited to do some work for us and joined in trade for her services. Since then he has done several things for us and always been such a great help to us. This year's annual luncheon was the best by far and the service he provided revolutionized this event. We would love to see him recognized for his hard work!

They would make a great member of the month!

President's Report March 2019

Leadership Rockingham: We had great day in Reidsville on Wednesday March 13th for our tour. We toured RCARE, Penn House, Market Square, Annie Penn, UNFI, RHS and Lake Reidsville by boat, with lots of speakers and information along the way. Thanks to Preston and all his staff, and all of our folks who toured us around Reidsville. APH provided lunch and it was so nice! I also plan Rockingham County day which moved back to its regularly scheduled day in April. Graduation is in May. I would love for any of you to attend when we have more details. Thanks for your support in this!

Economic Development Updates (Partnership with City Staff):

The NCDOT Meeting was cancelled for March 28th. More info to come. We will still plan the May meeting as discussed last meeting. The Chamber Board Chair and President will travel to Raleigh with City Staff on Wednesday March 27th for lunch with our elected officials. We will report back at the next meeting. On March 14th, the Golden LEAF president Dan Gerlach visited Reidsville High School to present a \$200,000 check for the Manual Machining Academy at RHS. We had a large crowd of RCC, RCS, City, industry and other partners. A great day for our students, schools, businesses and Team Reidsville!

Business Advisory Council: No new updates.

RDC Board & Promotions Committee Meeting: Casino Night was a HUGE hit! We are so excited. We did make as much and possibly more money that we usually do. We had a great turnout and a lot of people attend who that it was wonderful and again asked for it to be repeated at other times of the year.

Community Pride: Monthly meetings on the first Monday at 9:00am at the Chamber of Commerce. The date is May 17th and 18th. The committees are underway with their plans for education, advocacy and activities. We have gotten a design for a T-shirt and for a logo. I will be providing the flyer to everyone at the meeting.
