TransFURmations Pet Spa: October Member of the month. One of the things that we have always said was that it is awesome when a member steps up and does something to help the Chamber or the Community but another reason we like to nominate a member business is well, just because. Our members deserve recognition for just being who they are in our community, having a successful business, and being a faithful member. I would like to nominate Ashley Haynes with TransFURmations Pet Spa. She has been in business now for several years, she is a dedicated Chamber member and has just joined the RDC board to give back to the community. She is always giving donations and gift certificates for charities and nonprofits looking for help with their events. She has joined the RDC promotions committee (my committee that I serve on) and hit the ground running with ideas and ways to help. She is dedicated to run her business in a proper way and uses the Chamber to learn and gives ideas about how to help other business members. For example, every year businesses must list their personal property taxes. She was unfamiliar with the process and called me. I was able to walk her through it and help her get what she needed accomplished. She took it a step further and made several suggestions about how the Chamber can help other members know about the process and how to handle it. I love that as a young and learning business owner, she is willing to help others. She would make a great member of the month!

President's Report September 2019

Leadership Rockingham: This program kicked off so well! We are excited to have 19 people in the program and a great partnership amongst our group. It really came together, and we are pleased with the commitment from the community and members.

Economic Development Updates (Partnership with City Staff):

The NCDOT event went extremely well and there was much press coverage and information as a follow up after the event. Chamber and City are both pleased with the turnout. Thank you to everyone who came. The Sanritsu Ribbon Cutting has been delayed due to their need to complete pieces of their project before the ceremony.

Business Coalition Meeting: Waiting for next quarter to be scheduled.

RDC Board & Promotions Committee Meeting: Our beer gardens are hit or miss but I hope that the overall take away is that it is a good service for Reidsville and hopefully profitable for the Chamber. Promotions Committee is working on the Main Street 4-point Approach and RDC Work Plan for our committee. Mainly up next is branding downtown. We also are planning for Festival and Casino Night (after all the summer events).

Community Pride: There was a great debrief meeting and much discussed about how to improve and make efforts to take this event back to the original plan. The date has been discussed at length and is set for next April.

MLK UNITY FUND: We host next year. It will be turned over to us this summer. The sponsorship letters will go out in October. We have asked Dr. Kenneth Ruff to speak at our breakfast. He was a teacher for the band in Rockingham County at Holmes and Morehead and is now the director for the A & T University Aggie Marching Band.

Business Showcase: We are going to need volunteers for Thursday and Friday mainly. Please let us know if you can help. If you are going to have a booth, we need your form ASAP. The first vendor orientation is this week.

Business Directory: We have started meeting with the News & Record early this year to get a jump start on the directory. The photoshoot is slated for October 1st. We are using one of our member photographers and I will be working with staff and Exec Board to select stories.

Nominating Committee: The board nomination committee will be meeting next month. Please submit any names to me by Friday September 27th for the committee to entertain.
