

# Frankfort Chamber Member Spotlight

## Express Med Spa

11 S. White Street, #203 (upstairs in the Trolley Barn), Frankfort

### When did your business open?

June 2020

### The primary service of the organization:

Medical spa, botox, filler, chemical peels, medical grade skin care

### What makes your business special?

Where vintage charm meets modern day beauty, we offer conservative treatments to enhance our patients' natural features with early and late appointments available!

### Best thing you do/serve at your business:

Lip augmentation

### Something people don't realize about your business/services:

We offer completely complimentary consultations for skin care and beauty enhancement.

Owner Stefanie Drozd has "a deep love for volunteering as a medical provider in other countries. I have been to many underserved areas to help those less fortunate. Stefanie is a Full Practice Authority Nurse Practitioner, which is "an elite status from the state of Illinois that means can practice medicine completely independent without a physician."

### My favorite thing about being a Frankfort Chamber member is:

Learning about all of the new things going on in the community
