

# Frankfort Chamber Member Spotlight

## Counseling Works

9875 W. Lincoln Hwy., #104, Frankfort

### How long has your business been open?

In business since 2016, Frankfort location opened in 2018.

### The primary business/service offered:

Counseling for adolescents, adults and couples.

### What makes your organization special?

Our top notch clinicians have a wide range of specialties to suit specific needs.

### Best thing you do/serve at your business:

Guiding people to a brighter future and supporting them on their journey!

### Something people don't realize about your organization:

You don't need to be "broken, depressed or crazy" to attend therapy. Everyone struggles at different points in their lives, and it's smart to ask for help to navigate difficulties in life.

### My favorite thing about being a Frankfort Chamber member is:

The wonderful connections made to help us all serve this great community!
