2021 CONCERTS ON THE GREEN

Welcome back! We are excited to be able to once again offer Frankfort's Annual Concerts on the Green Music Series. While the 33rd year was sidelined due to the COVID-19 pandemic, we are back with a great line-up for our 34th year!

The concerts are organized by a committee selected by the Frankfort Chamber of Commerce. This series is monetarily sponsored by the Frankfort Chamber of Commerce and many Chamber member businesses and area residents. The Village of Frankfort and the Frankfort Park District also make non-monetary contributions that are absolutely necessary to the operation and success of the concert series.

The concerts are offered every Sunday evening 6:30 to 8:00 p.m. on Breidert Green in the center of Frankfort's Historic Downtown. Public parking is available in several public lots. Bring lawn chairs or a blanket. Admission is free. For more information on the Chamber and the concerts, visit www.frankfortchamber.com.

Please remember to support the contributors below who give so generously to ensure the continuation of Concerts on the Green.
