

LWC

Leadership Washington County

Thank you for your interest in the Leadership Washington County program. The Washington County Chamber of Commerce along with sponsoring Chamber member organizations invest in LWC to develop and connect leaders within our community. Please seriously consider your participation and commitment to the class. LWC requires you to be engaged in the program and dedicated to participating during the class activities and committed to outside learning. LWC 2021-2022 will be asked to engage in discussion, participate in a class project and actively engage in class activities. LWC details are included in this application. If you would like any further information, please contact the Chamber at (979) 836-3695 or info@BrenhamTexas.com, or visit www.BrenhamTexas.com.

Leadership Washington County is the flagship program of the Washington County Chamber of Commerce providing leadership development and engagement opportunities for participants.

Program Goals:

- ◆ To develop and equip leaders in Washington County through hand-on experiences and learning opportunities.
- ◆ To develop lasting relationships among community leaders.
- ◆ To develop community awareness and promote community engagement.
- ◆ To provide greater access to community resources and networking.
- ◆ To motivate participants to help make a difference in our community by becoming actively involved.

The 2021-22 LWC program begins in August with an orientation meeting. Full day sessions are held monthly from September 2021–May 2022 as shown on the attached calendar.

Candidates are selected from an outstanding pool of applicants to adequately represent the diversity of our area and workforce. Multiple participants from the same organization may apply, but the goal of the program is to include as many organizations as possible.

Policies:

- ◆ LWC is designed to be an in-depth experience and requires attendance at each session for you to receive the full impact. The orientation is extremely important for you to attend as it sets the tone for the program. Recognizing that conflicts may arise, a maximum of two absences from other sessions are permissible. More than two days of absence from other sessions will result in self-termination from the program, with the tuition being non-refundable.
- ◆ Each participant should be a Chamber member, or representative of a member organization, and have the support and approval from his/her employer to participate in all sessions. If a participant is separated from their sponsoring organization or employer during the program, the participant may complete the program with the endorsement of the sponsoring member.
- ◆ Investment for the ten-month program is \$750 (\$650 with membership tier discount) which can be paid by the individual or the employer. This fee covers program expenses including materials, hand-outs, a custom shirt, and any special travel arrangements that may be required.
- ◆ Each participant should be motivated to play an active and energetic role in each session.

As a rising leader, you will:

- ◆ Learn more about the key issues, challenges and opportunities in our community and region.
- ◆ Develop relationships with other influential leaders and civic officials in Washington County.
- ◆ Discover how to make a difference in the future of this community.
- ◆ Develop and enhance your own ability to lead.

Applications for the program are being accepted now through August 10, 2021. Return the attached form by mail, email or in person to the Chamber office (no faxes, please). Participants will be selected confidentially by an anonymous selection committee and will be notified of their acceptance by August 13, 2021. Tuition will be due prior to the first Leadership session.

Leadership Washington County
