Tell us something unique about your business.

—We offer a service called "Cruise Watcher." We book your cruise, we attach the Cruise Watcher, if there is a rate drop we will contact you and let you know the ins and outs - sometimes you lose perks when the rate drops or you keep your perks and we keep watching. This system runs in the background while you sleep. We like to say, "The cruise line will not call you and tell you there is a rate drop, but we do!!"

What do you love about Washington County?

around jobsites, learning the basics. He graduated with a Bachelor of Science in Construction from Texas State University. Worked as an intern on the rehabilitation of the Palacio de la Musica, in Madrid, Spain. After interning in Spain, he worked for one of the largest Aviation, Commercial & Government General Contractors in the Nation. # Get Noticed

*The ChamberWorks* newsletter is published inside *The Banner-Press*. Chamber members have the opportunity to advertise in this newsletter. Rates start at only \$25 per month.

If you are looking for a new opportunity to advertise, just call Jane Hinze at 836-3695. Another great way to promote your organization is through targeted emails. The

Chamber will forward your “e-message” to all members, as long as it meets certain criteria. For non-profits, it should not have a strong-sell for sponsorships or donations. The message should be newsworthy, typi-

cally about an upcoming event. For regular businesses, it should also be about upcoming special events, as long as there is no purchase required for the reader to experience the event.

# Washington County Blue Blazers

The Blue Blazers is a club with 15-20 members and more than 40 years of tradition. They support the mission of the Washington County Chamber. The volunteers in the club act as official greeters and hosts of our community. Their activities include monthly meetings, greeting at Chamber functions, recruiting new Chamber members, and conducting ribbon cuttings and grand openings.
