Health Care Forum to be held October 20th

The Washington County Chamber of Commerce will host a Health Care Forum on Thursday, October 20th at Blinn College. Dr. Tiffany J. Berry, Vice President of Primary Care – Baylor Scott & White, will be the keynote speaker at the luncheon. In addition, there will be an expert panel on hand following the keynote to answer additional questions from the audience. The panel consists of Jason Jennings, President of Baylor Scott & White Health College Station Region; Dr. Eric Alford, BSWH Family Medicine/Regional Medical Director; and Dr. Seth Sullivan, BSWG Infectious Disease.

Dr. Tiffany Berry is originally from Mississippi. She attended medical school at the Mississippi School of Medicine in Jackson and eventually found her home in Texas when she attended residency at Scott & White Family Medicine Residency in Temple.

Upon completion of residency, she became a family medicine staff physician at Baylor Scott & White and eventually transitioned into a series of administrative roles including: System Medical Director of Quality and Patient Safety, Chief Quality Officer, Chief Patient Experience Officer, and CMO/SVP of Population Health & CMO of the Baylor

Scott & White Health Quality Alliance.

In 2019, Dr. Berry was named one of Modern Healthcare's Up and Comers, a highly distinguished honor recognizing her work within the BSWH Quality Alliance.

Today, Dr. Berry serves as the System Vice-President of Primary Care for the entire Baylor Scott & White Health System. In this role, she is working to improve the teams and the technologies our primary care providers use to take better care of patients and truly meet them where they are. Dr. Berry is also the mother of five amazing kids and way too many dogs!

The luncheon begins at 11:30 a.m. in The Blinn College Student Center - Janis Sneed Ballroom in Brenham. Individual tickets are \$30. Reserved tables for eight people are also available for \$300. Call 979-836-3695 or come by the Chamber at 314 S. Austin St. to purchase tickets. They can also be purchased online at brenhamtexas.com/hfwforum/.

Prior to the luncheon, there will be a Free Community Health, Fitness and Wellness Expo in the Blinn College Student Center - Janis Sneed Ballroom Atrium from 8 a.m. – noon. Flu shots, bone density scans and other information will be available.

The First Session Communication and Team Building

September marked the first session for the Leadership Washington County class of 2023. Understanding and implementing different leadership and communication styles was the focus of the session. Bethany Frazier, Assistant Camp Director of Camp For All, led the day-long workshop at their amazing facility near Burton. Leadership class participant and Camp Director for Camp for All, Allen McBride, also assisted as well as participated with his classmates.

The session was full of activities to focus on team-building

LWC group at the end of the day

skills and communication. The class was led through several exercises which helped each participant recognize their strengths and weaknesses in order to focus on growth. Throughout the day class members were reminded that leadership is proactive and effective leaders sometimes emerge due to their placement within an organization, not necessarily due to their position.

After lunch, Johanna Fatheree (LWC Class of 2007) facilitated a session on the "Magic of Leadership" and helped the class determine their personal mission statements. Camp For All

Economic Development and Tourism in Washington County

The October session of Leadership Washington County focused on Economic Development and Tourism.

The day began at BRIANNAS Fine Salad Dressings, where the group was greeted by Jenny Van Dorf (LWC Class of 2014), Sherald Bell (LWC Class of 2005) and Scott Eckert (LWC Class of 2021). They were given a tour of the facility. The company began in a small garage in 1982 as Del Sol Food Company. BRIANNAS has now become a world-class brand. The company moved to Washington County in 1984 and moved to the Brenham Business Center in 2006. They are celebrating their 40th Anniversary this year.

The class then traveled to the Barnhill Center at the Historic Simon Theatre. There, they first heard from

Jennifer Eckermann, City of Brenham’s Director of Tourism & Marketing, as she shared information on how tourism is important for the county’s economic development growth. VisitBrenhamTexas.com keeps locals and visitors abreast of events and happenings in Washington County.

Next, they heard from Brenham/Washington County Economic Development Director, Susan Cates. The ED department provides a number of different types of assistance to businesses and companies in the county. They assist with site-selection trips, evaluation of applications for incentives, provide economic and demographic data on key business factors and much more at no cost.

The class then traveled to the

Antique Rose Emporium where owner Mike Shoup (LWC Class of 1993), gave a history of their operation, which began almost 40 years ago, and lead a tour through the grounds and greenhouses.

After lunch at the Cannery Kitchen, the class traveled to Brazos Valley Brewery where owner and founder, John Bass gave a tour and a history of the company. BVB was established in 2014 and offers the largest selection of taps in Washington County.

The day ended with dessert...a trip to Blue Bell Creameries. They were greeted by Joe Robertson (LWC Class of 2015), Director of Advertising and Marketing. The class was able to view production from the observation deck and then to the ice cream parlor for a treat.

Sherald Bell speaks to the class about BRIANNAS Fine Salad Dressings.

Staff then shared the mission and history behind Camp For All, which hosts over more than 7,000 campers annually, and also described the many volunteer opportunities that exist there. The day concluded with a walking tour of the camp grounds. A world unto itself, Camp For All was designed with a “can do” attitude. At Camp For All, children and adults with special needs and challenging illnesses have the opportunity to experience horseback riding, canoeing, fishing, archery, water activities, team sports, arts and crafts, nature programs, and much more at their own level.

Lauren Lewis, class participant from Blue Bell, stated “As a young person, this session started to grow my confidence when speaking up about community matters. It is easy to feel like

you don’t have an impact when surrounded by other members that have years/decades to do so. This group and this team building session really changed my perspective on that. Grace, encouragement, and understanding was given throughout the entire day, which in return

inspired me to share my story, thoughts and opinions.”

It took teamwork to get the marble on track in this exercise.

Get Noticed

The ChamberWorks newsletter is published inside The Banner-Press. Chamber members have the opportunity to advertise in this newspaper. Rates start at only \$25 per month.

If you are looking for a new opportunity to advertise, just call Jane Hinze at 836-3695.

Another great way to promote your organization is through targeted emails. The Chamber will forward your "e-message" to all members, as long as it meets certain criteria. For non-profits, it should not have a strong-sell for sponsorships or donations. The message should be newsworthy, typically about an upcoming event. For regular business, it should also be about upcoming special events, as long as there is no purchase required for the reader to experience the event.

E-messages are sent a maximum of once per quarter per member during each calendar year.
