About us: Firemen's Park in the Prairie, or Sun Prairie Dream Park, was built in the summer of 2007 by hundreds of volunteers from Sun Prairie and surrounding in just 5 days and was spearheaded by local residents Anita Holcomb and Rebecca Ketelsen under the guidance of Leathers & Associates out of Ithaca, New York..

Today this **non-city** funded playground is maintained by a board of volunteers called the Friends of Firemen's Park who work with the community to maintain the facilities.

The Friends of Firemen's Park Board meet 3 times a year and are always looking for new members and ideas!

Volunteer needs: The Sun Prairie Dream Park is **cleaned and maintained solely by volunteers!** Please take a moment to go through our website and learn how you can give as little as an hour of your time and make a tremendous difference! No matter your age or how much time you have available, we can find a job for you! Most jobs can be done while your kids play and can even include your kids. What an easy way to teach your children the importance of giving back while having a ton of fun. Look for announcements on [Facebook](#) about our community clean up days or visit us on our website.

Is your organization looking for an outing that gives back? Join several organizations each year that have a blast tackling some of our bigger projects like leaf raking. Just 2-4 hours of soaking up sunshine and breathing fresh can do wonders for your employees AND for the Dream Park!
