	A	B	C	D	E	F	G
	Kahoot!	Answer 1 - max 60 characters	Answer 2 - max 60 characters	Answer 3 - max 60 characters	Answer 4 - max 60 characters	Time limit (sec) - 5,10,20,30,60,90 or 120 secs	Correct answer(s) - choose at least one
1	Question - max 95 characters						
2	In what circumstance does OSHA most support online training for employees?	When worker are at remote locations	When classroom or onstie training is more expensive	When it is part of an overall training program	When other training methods interfere with productivity	60	3
3	According to OSHA, Who must provide training the to employees of a contractor?	The contractor must provide all safety training to its employees.	The host employer must provide all safety training.	There is no clear guidelines from OSHA	The host empolyer and the contractor are jointly responsible	60	4
4	Can the OSHA 10 class be used to document that workers are trained in compliance?	Yes, but only for the OSHA rules that the course material covered.	No, the class does not comply with any specific requirements	Only if OSHA approves the training program	Only if the 10 hr class was issued in the last 5 years.	60	1
5	An employer hires a vendor to provide training, one of employees is injured, who can be cited?	Only the vendor	The vendor and the employer	Only the employer		60	3
6	Select the hierachy of controls in OSHA recommended practices for safety, from most to least.	Elimination, Substitution, Engineering, Administrative, PPE	Engineering, Administrative, PPE, Elimination, Subtitution	Administrative, PPE, Engineering, Elimination, Substitution	PPE, Administrative, Engineering, Substitution, Elimination	60	1
7	Where does OSHA regulations NOT apply?	A business with one employee	A self-employed person without employees	A commercial farm operation	A church-operated school	60	2
8	Under OSHA, what is the standard minimum number of hours of initial training required?	There is not standard minimum required.	A minimum of 8 hours.	Almost every OSHA rule has a prescribed number of hours.	A minimum of 2 hours.	60	1
9	What is the OSHA requirement concerning safety committees?	Each employer with 10 or more employees must have one.	Only employers with DART higher than industry average.	There is no OSHA rule that requires a safety committee.	When requested by a union rep, a committee is required	60	3
10	Is there an OSHA rule that requires a signature from the employee to show training was done?	Only on certain OSHA requirements.	The OSHA 10 and 30 hour outreach training.	OSHA requires the signature of all employees trained.	There is no OSHA rule that requires the signature.	60	4
11	When does OSHA specify annual training must occur?	On or before December 31 of each year.	Within one year of the employee's initial training date	By the annual deadline the employer sets for all employees	Within 90 days after the anniversary of the initial date	60	2
