STATEMENTS

Dealer Statement: I understand that the ADAND Scholarship Program requires a dealer contribution in the amount of \$500, and that I must be a current member of the Automobile Dealers Association of North Dakota to participate. I also understand that this scholarship is intended to provide dealership training funds and is not to be offered for other general purposes. If the above-mentioned applicant is granted a \$1,500 scholarship, I understand that the Association must receive the dealer's \$500 contribution (made payable to the school) before the Association will contribute \$1,000. Both the Association and the dealership's scholarship funds will be forwarded to the school, and will be applied by the school directly to the student's tuition. Any breach of enrollment or unsatisfactory performance in the student's course of study will result in the cessation of aid. One third of unused funds will be returned to the dealership, and two-thirds of unused funds to ADAND.

Student Statement: I understand that this application for the ADAND Scholarship Program is for aid in the amount of \$1,500 for the school year of 2022-2023, and that this aid requires a dealer contribution. All funds will be forwarded to the school specified above for application directly to my tuition, with half of the funds being applied to the first semester, and half of the funds held until the second semester. I understand that after my first semester is complete, I will need to forward a copy of my unofficial transcripts to ADAND for review. Upon review, the funds for my second semester will be released given satisfactory academic performance. I also understand that any breach of enrollment or unsatisfactory performance in my course of study will result in cessation of aid.
