

ANIMAL GROOMING

Follow all guidelines required for **ALL BUSINESSES** and **additionally**:

PRIMARY RECOMMENDATIONS

For both customers and staff include:

- **Appointments-only**
 - To help maintain appropriate social distancing, restrict walk-in services.
- **Curbside check-in and pick-up**
- **Pet handling**
 - Transfer pets to and from their salon services with the businesses own slip leads. Do not handle anything belonging to pets, including collars and leashes.
- **Social Distancing**
 - To help keep six feet of distance between people at all possible times, place tape on salon floors in areas indicating where customers should stand and where groomers can walk. Groomers to maintain a distance of at least six feet between themselves and any person, including fellow groomers.
 -
- **Group size**
 - Limit the total number of groomers in salons consistent with social distancing requirements, instructing groomers to work at every other table and limiting only one at a time in the pet bathing area. Also, allow one pet family at a time in the salon lobby.
 - Staggering salon appointment arrival times and salon staff schedules to limit the number of associates and pet parents within the salon at a time
- **Salon hygiene**
 - Continue to perform additional cleaning measures between each service and at the end of each day.
 - Increase frequency of store cleanings regularly disinfecting common touchpoints and surfaces throughout the entire store including shopping carts and baskets, check-out stations, the main store area, associate-only breakrooms, restrooms and all services areas
