

Guam Chamber of Commerce
2022 Economic Forecast
December 3, 2021
Vince Arriola, Director

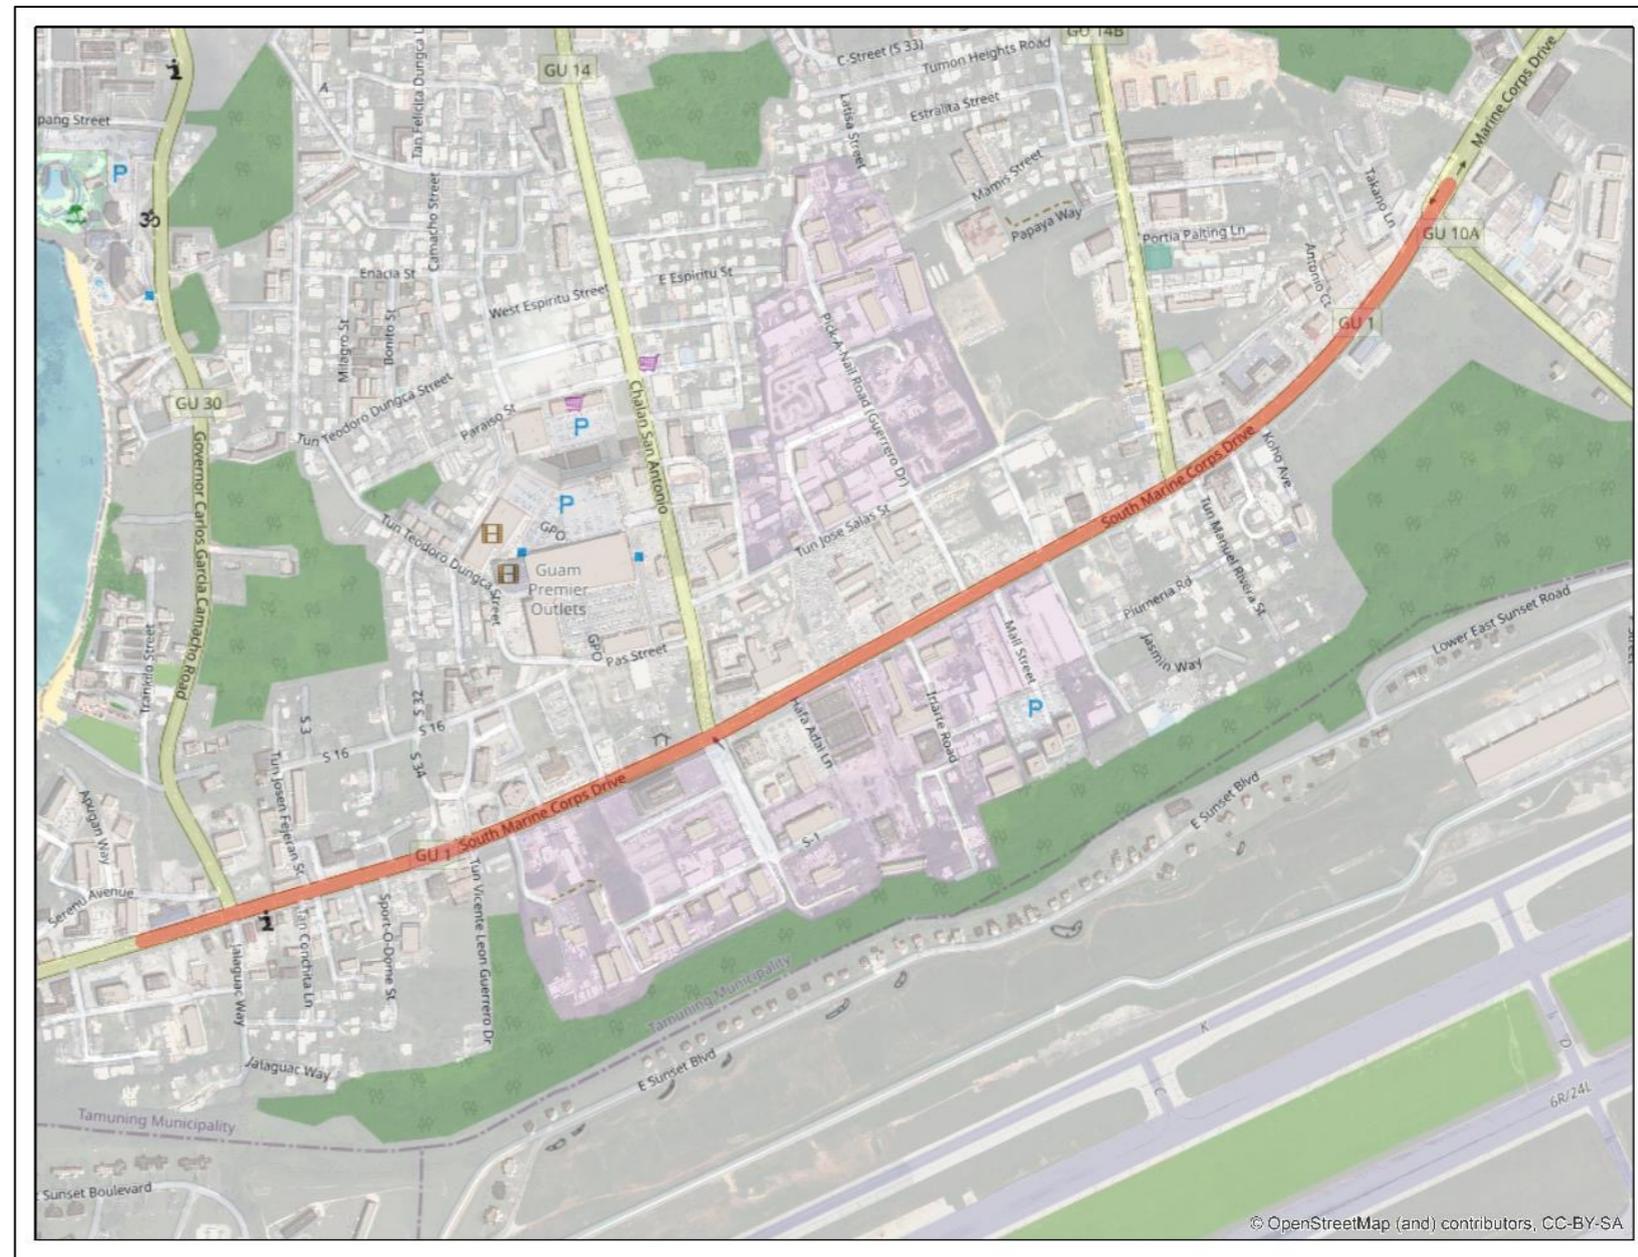

Guam Transportation Program (GTP) Upcoming Projects

Informational Briefing Presentation for the 2022 Economic Forecast Event

Route 1 Resurfacing from Route 30 to Route 10A

- Approximately 1.53 miles
- Awarded to Hawaiian Rock Products: \$7.2M
- Projected Construction Start: June 2021

Improve Pavement Conditions

Route 1 Resurfacing from Route 30 to Route 10A

Adjust Settled Sewer Manholes

Route 1 Resurfacing from Route 30to Route 10A

Replaced Ravelled Asphalt

Route 1 Resurfacing from Route 30 to Route 10A

Route 28 Rehabilitation from Route 1 to Bumuchachu St

- Approximately 1.3 mi long
- Awarded to Hawaiian Rock Products: \$6.5 Million
- Projected Construction Start: January 2022

Improve Pavement Condition

Route 28 Rehabilitation from Route 1 to Bumuchachu St

Restripe and install Friction Course

Route 28 Rehabilitation from Route 1 to Bumuchachu St

Improve Drainage

Route 28 Rehabilitation from Route 1 to Bumuchachu St

Route 5 and Portion of Route 12 Reconstruction and Widening

- Approximately 1.3 mi long
- Low Bidder: Infratech: \$12.5M
- Projected Construction Start: March 2022

Improve Drainage

Route 5 and Portion of Route 12 Reconstruction and Widening

Improve Pavement Conditions

Route 5 and Portion of Route 12 Reconstruction and Widening

Route 14 Resurfacing from Route 1 to Route 14B

- Approximately 1.7 mi long
- Estimated Construction Budget: \$10M
- FY22 Construction

Improve Safety and add Friction Course

Route 14 Resurfacing from Route 1 to Route 14B

Improve Traffic Circle

Route 14 Resurfacing from Route 1 to Route 14B

Ajayan Bridge Temporary Shoring

- Located along Route 4 over the Ajayan River (Merizo / Inarajan)
- Estimated Construction Budget: \$500k
- FY22 Construction

Temporarily Shore Bridge to Carry legal loads

Ajayan Bridge Temporary Shoring

Extend Service life of Bridge

Ajayan Bridge Temporary Shoring

Route 10 Safety Improvements, Phase 1

- Approximately 1.7 mi long
- Estimated Construction Cost - \$3.7M
- FY22 Construction

New Traffic Signal

Route 10 Safety Improvements, Phase 1

Repair Failed Utility Patches

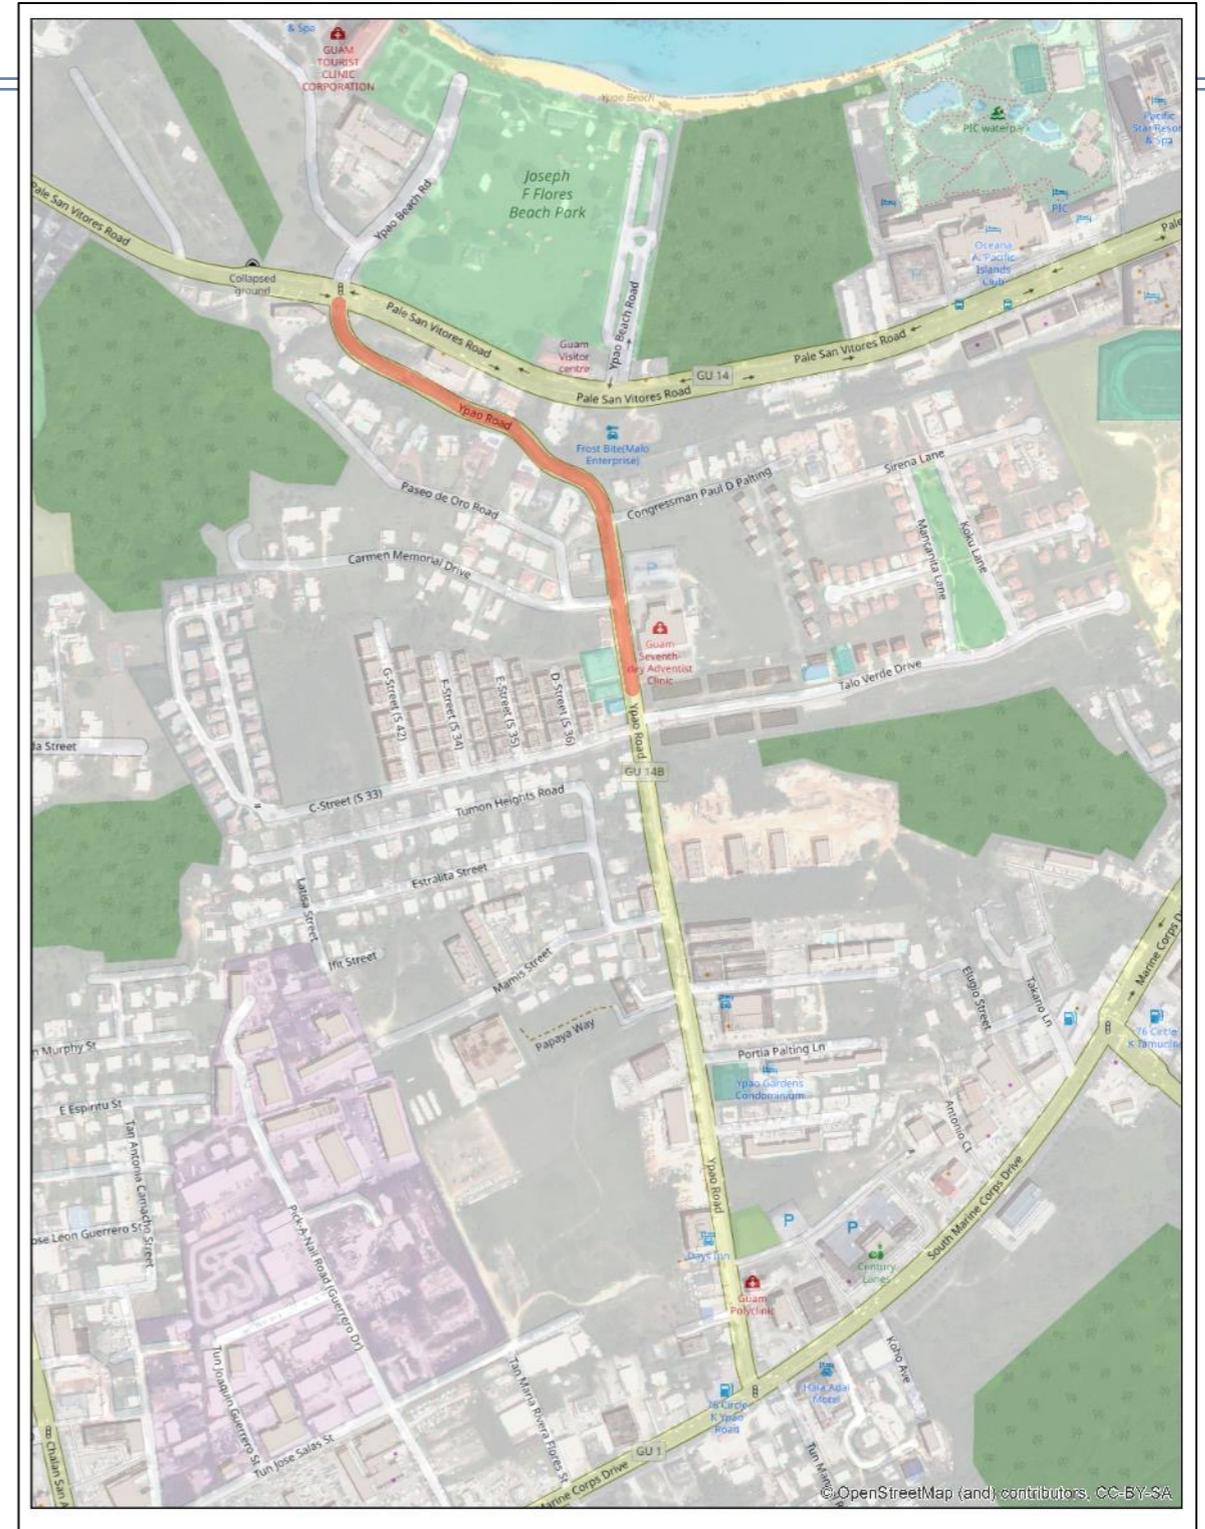

Route 10 Safety Improvements, Phase 1

Route 14B Reconstruction and Widening, Phase 1

- Approximately 0.5 mi long
- Construction Cost - \$7M
- FY22 Construction

Improve Drainage

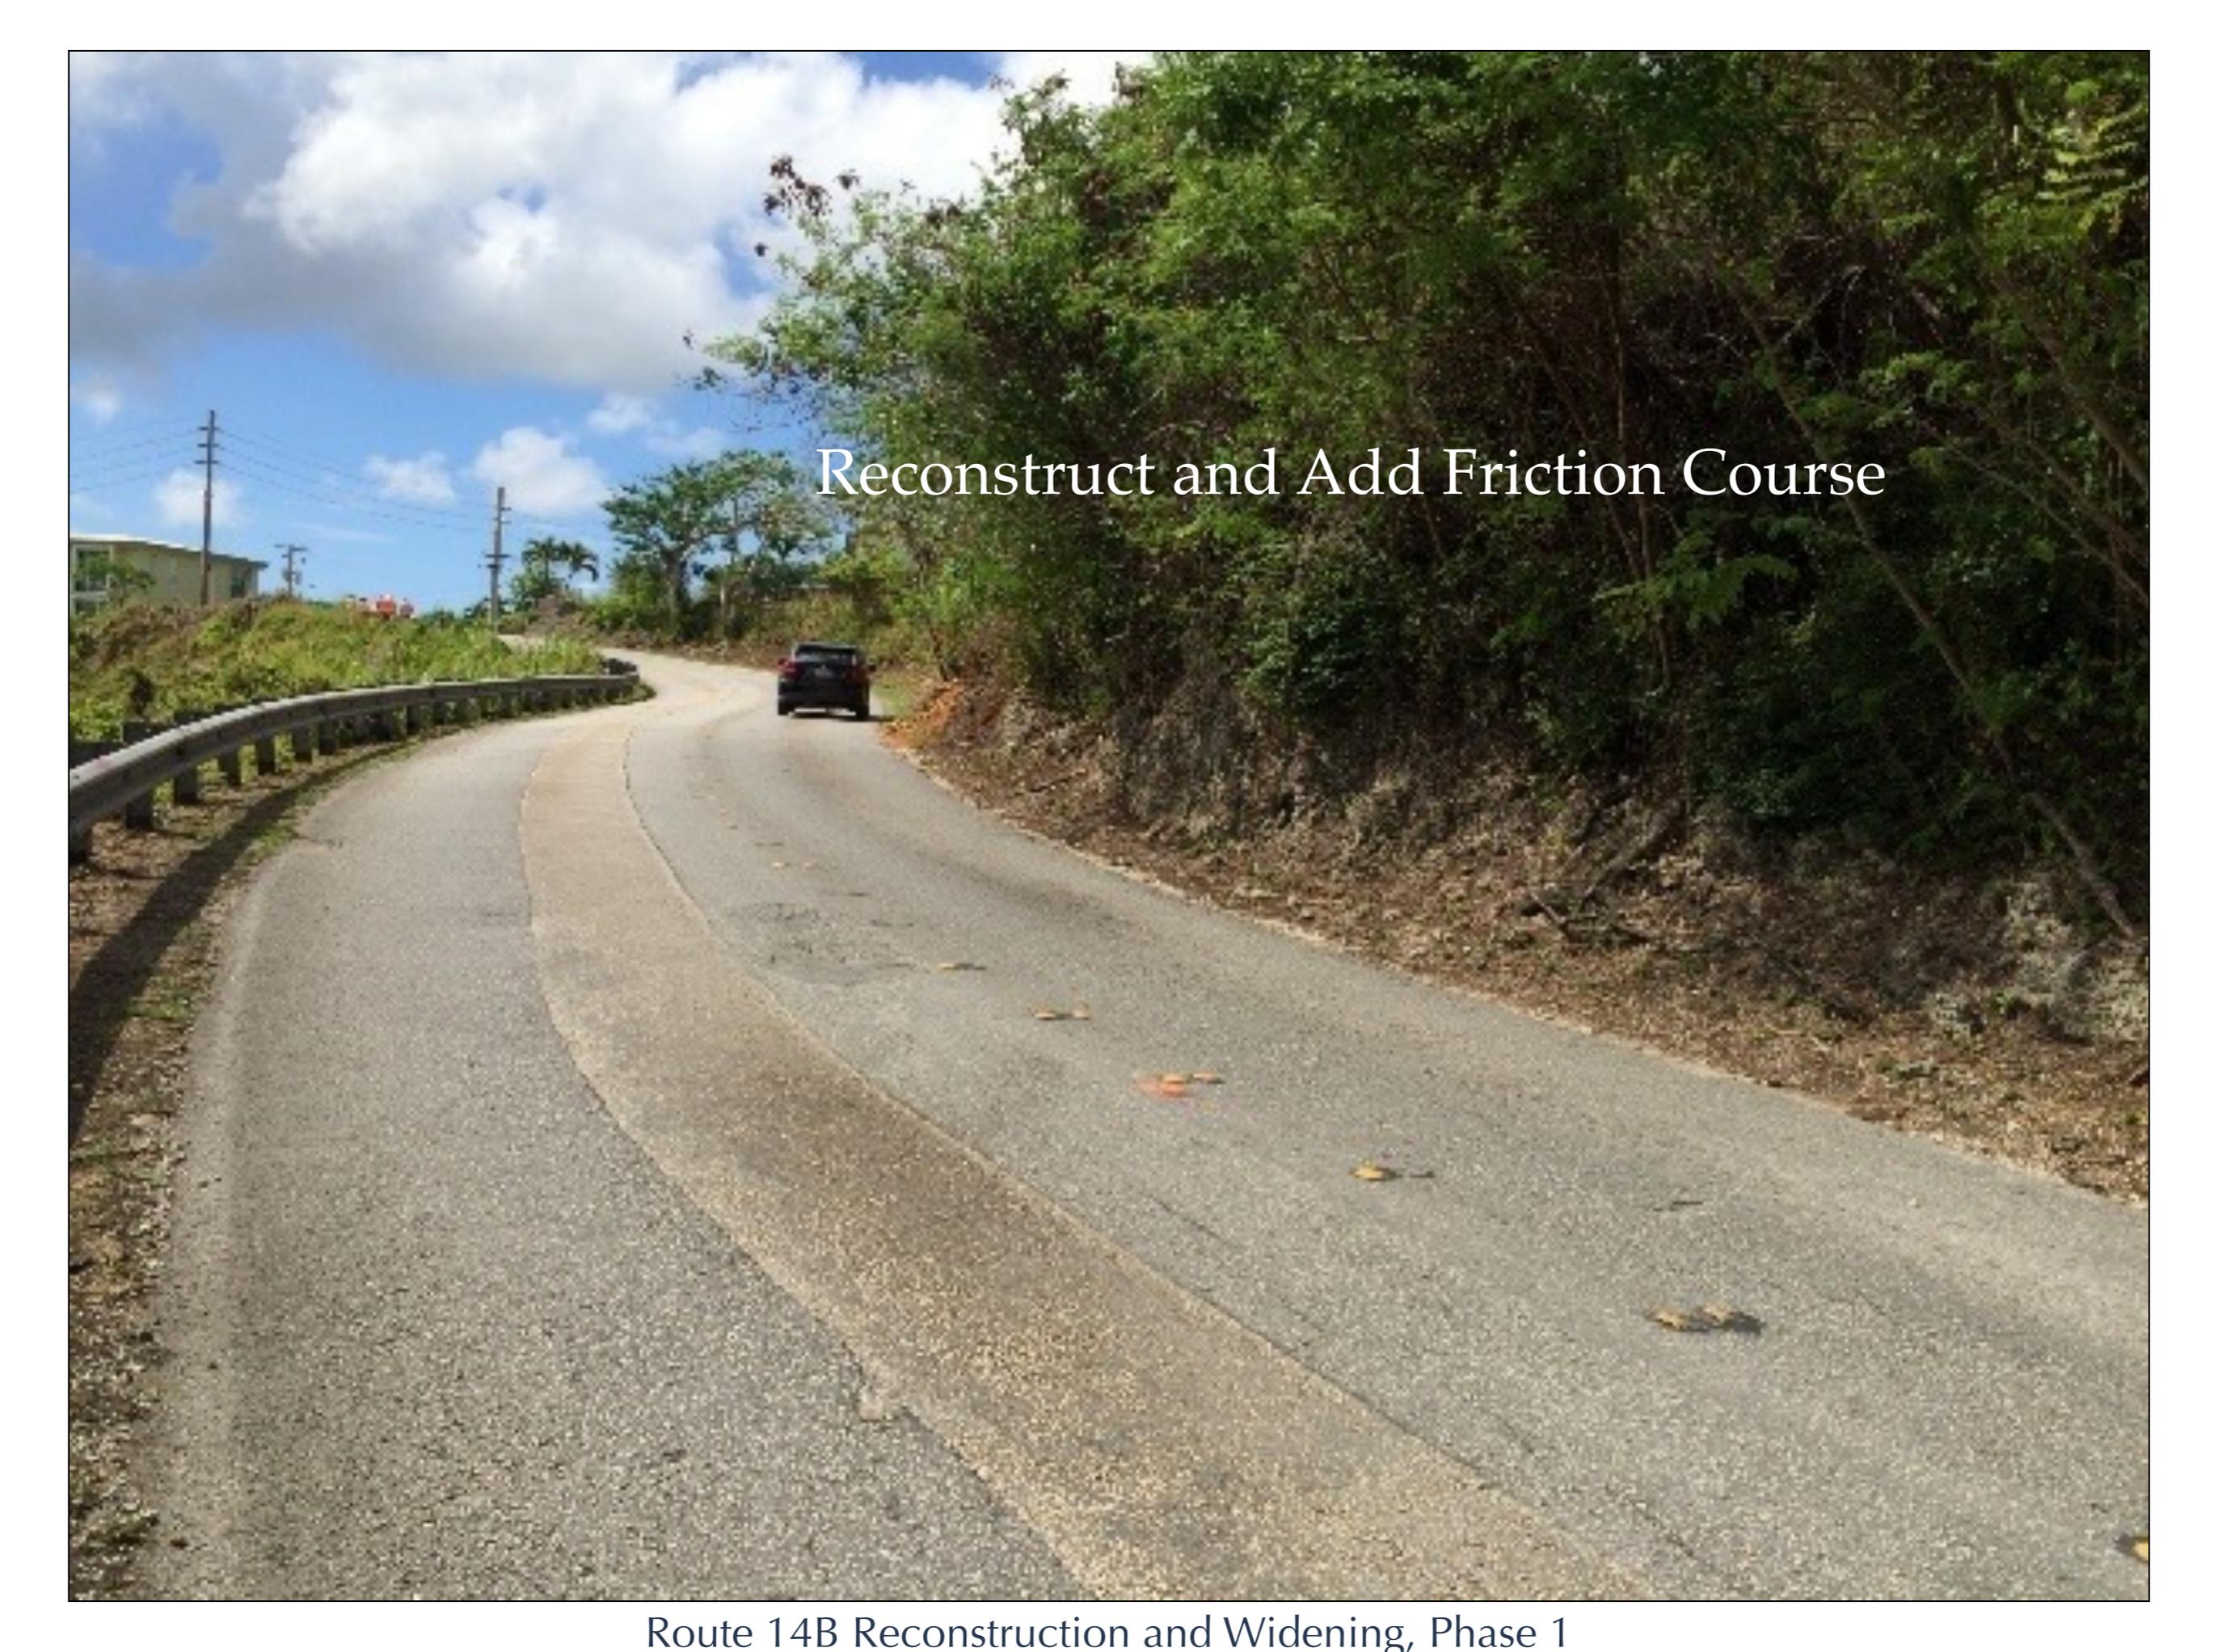

Route 14B Reconstruction and Widening, Phase 1

Widen Road

Route 14B Reconstruction and Widening, Phase 1

Reconstruct and Add Friction Course

Route 14B Reconstruction and Widening, Phase 1

IDIQ Projects

-
- Islandwide Safety Improvements on Primary Roads (Striping and Marking): Awarded to Highway Safety Services
 - Islandwide Guardrail Repair and Replacement: Awarded to Highway Safety Services
 - Islandwide Primary Roads Paving and Pavement Markings: Awarded to Hawaiian Rock Products

Department of Defense Funded Projects

Route 1 Reconstruction of Multiple Bridges (P116)

- Located in Hagatna, Asan, and Piti
- Estimated Construction Cost: \$40M
- FY23 Construction

Replace Fonte Bridge

Route 1 Reconstruction of Multiple Bridges (P116)

Replace Atantano Bridge

Route 1 Reconstruction of Multiple Bridges (P116)

Replace Asan Bridge

Route 1 Reconstruction of Multiple Bridges (P116)

Replace Laguas Bridge

Route 1 Reconstruction of Multiple Bridges (P116)

Replace Sasa Bridge

Route 1 Reconstruction of Multiple Bridges (P116)

Under Pavement Infrastructure Retrofit (P115). Includes complete repaving

- Along Route 1 from Naval Base Guam to Route 3 and Route 3 from Route 1 to Route 28
- Estimated Construction Cost: \$70M
- FY23 Construction

Village Street Projects (Local Funding)

Village St. – Northern Region

- Dededo
 - Swamp Road
 - Chalan Lumasu
Corner Biradan Pulatat
- Yigo
 - Tun Ignacio Chana
 - David Flores Court

Village St. – Central Region

- Agana Heights
 - Patnetos Drive
- Asan-Maina
 - Binakle Road
- Barrigada
 - North Sabana Drive
- Chalan Pago / Ordot
 - Judge Sablan Street
 - Maimai Road
- Mongmong-Toto-Maite
 - Manibusan Street
- Tamuning
 - Fr. San Vitores and Fr. Ramon Dr.

Village St. – Southern Region

-
- Agat
 - Duenas Street
 - North Eugenio Street
 - Cook Street
 - Perry Street
 - Inalahan
 - Tun Jose L. San Nicolas
 - Chalan Chinda
 - Ipan Talofoyo
 - North San Miguel / Ernest P. Santos
 - Francisco Perez Street
 - Jose P. Cruz Street
 - Manenggon Yona
 - Chalan Aguon
 - Santa Rita
 - Felix T. Pangelinan Drive

Village CIP Projects

- ❖ Dededo Village, Ypao Beach and Ipan Beach Park Auto Bollards
- ❖ Dededo Village New Basketball Gymnasium
- ❖ Mangilao Village New Basketball Gymnasium and Baseball Field
- ❖ Agana Heights Village Rehabilitation of Baseball Field and Gymnasium Repair
- ❖ Barrigada Village New Basketball Gymnasium

Village CIP Projects

- ❖ Merizo Village New Basketball Gymnasium
- ❖ Tamuning Village Rehabilitation of Gymnasium
- ❖ Santa Rita Village Rehabilitation of Baseball Field
- ❖ Sinajana Village Senior Community Center Extension

Other GovGuam Construction Projects

-
- ❖ New Department of Environmental Health Building
 - ❖ \$3 Million
 - ❖ Construction of Guam Custom & Quarantine Agency Office
 - ❖ \$283,250.00
 - ❖ Department of Youth Affairs Facilities Upgrade
 - ❖ \$2.2 Million
 - ❖ Design Build for the new Ordot Chalan Pago Mayor's Office
 - ❖ \$468,000.00

Other GovGuam Construction Projects

-
- ❖ New Fire Sprinkler and Locking System for the Dept. of Corrections
 - ❖ \$2 Million
 - ❖ Repairing the Governor's Office Infrastructure
 - ❖ \$500,000
 - ❖ New Guam Police Department Evidence Building
 - ❖ \$3,500,000
