

# BECOME A Sustaining Partner

The dedicated and generous *Sustaining Partner* businesses provide additional financial support to the Charlotte County Chamber of Commerce which, in turn, provides them with additional valuable membership benefits. These contributions to the annual chamber budget allow for the continued increase of promotion, advocacy, involvement, and leadership at the local, state and federal levels. This is done to always be proactive in support of our businesses and the community we serve.

## Thank You to our 2019-2020 Sustaining Partners:
