My signature below indicates my desire to participate in Junior Leadership Charlotte. Please note that sessions are planned on days off school as much as possible. The JLC program depends on your attendance and the group dynamics of all the participants. There are many yet-to-be-named dates for other programs, like Model United Nations, band and sports teams, that will conflict with the calendar on page 1. Prior to applying to JLC ask yourself: Can I say without a doubt that JLC will be my top priority? The answer should help you decide which program or programs in which to participate. You must be able to commit to the dates. You will not graduate if you miss more than two sessions. I understand I am responsible for attending all scheduled classes. I attest that I have prepared and answered all of the questions in this application myself.
