Terrell Jubilee

BY TERRELL CHAMBER OF COMMERCE CVB
April 15-18, 2021

In just a little over a month, Ben Gill Park will be host to a weekend full of fun for the whole family. The 40th Annual Terrell Jubilee presented by the Platinum Collection of dealerships will once again feature a local and state championship BBQ cook-off, arts and crafts vendors, business and health exposition, live music, a variety of food vendors, a carnival, a car show, the Fountain 5K Run/Walk, a dog show and more! We look forward to the return of Jubilee this year after having to cancel in 2020 for the first time in history.

This annual celebration attracts more than 15,000 people each year. The four-day event kicks off with Family Night on Thursday, April 15 from 4 – 10 p.m.

The midway and carnival will be once again provided by Talley Amusements and it will be open all four days. Arts & Crafts vendors will be selling their wares on Saturday and Sunday.

The Kaufman County Quilt Guild has decided not to have their Quilt Show this year, but they hope to return in 2022.

The Fountain 5K Run/Walk benefitting the

Volunteer Services Council of Terrell State Hospital will start at 9 a.m. on Saturday. Find details and registration information at www.terrelljubilee.com.

The “For the Love of Cars Auto Show” benefitting Sharing the Love Foundation will be on Saturday, April 17 from 10 a.m. – 4 p.m. Register at www.sharingthelove.org.

There is booth space available for arts and crafts vendors, as well as businesses who want to participate in the health/business expo. Sponsorships are available as well. Details for vendor space and sponsorships can be found at www.terrelljubilee.com.

There are also volunteer opportunities to help with the event, as well as judging the BBQ competition. Find the link to sign up at www.terrelljubilee.com.

A New Look for the Chamber Annual Awards Luncheon

This year would mark the 113th anniversary of our Annual Membership Meeting and Industrial Recognition Luncheon, except this year instead of a luncheon we'll be doing a virtual awards presentation on March 11.

To kick off the evening of celebration, we will host a virtual happy hour and toast beforehand. Be sure you are following our Facebook Page to see the awards presentation.

Kaufman County Day Set For March 29

Each year the area Chambers, school districts, economic development corporations and cities host Kaufman County Day (KCD). Due to COVID, this year KCD will look differently. How did Eco-Safe get started in the business?
 With over 50 years of service, Eco-Safe® is proud of its founding heritage. In fact, due to Miss Phoebe's accomplishments being strong enough to redefine the pest control industry, the termite division of Eco-Safe still operates under the name "Miss Phoebe's" to this day. Michael, Phoebe's son, redefined the industry a second time with his vision of saving the earth from harmful materials. Gregory, Michael's son, is now working to redefine the industry for a 3rd time to both finalize and exceed his grandmother's and father's original visions. Our founding roots in this industry go back over 100 years, and our own 300 years plus of combined experience back the service guarantee that we offer our clients today as industry experts.
