11:30 AM - 5:00 PM

presented by:
The Platinum Collection of Dealerships

The Terrell Chamber of Commerce is hosting their Inaugural Clay Shoot on Friday, March 4, 2022 from 11:30 AM – 5:00 PM at Texas Gun Ranch in Terrell.

The Terrell Chamber is a non-profit organization and all funds raised go back into supporting local businesses and the community through scholarships and events. Registration for the Clay Shoot is \$150/shooter and it includes lunch and ammunition, which is a real plus in this day of ammo shortage. Shooters need to bring your own shotgun and eye protection. You can register individually or as a team of four (4) for \$600. There will be prizes for the head over-all shooter, as well as team prizes for 1st through 3rd place teams.

There are also raffle items up for grabs. You can view raffle items and purchase tickets in advance or in person during the event. You do not need to be present to win. “We are so thankful for the continuous support of our local businesses,” said Tidwell. “They make it possible for us to continue to support our community.”

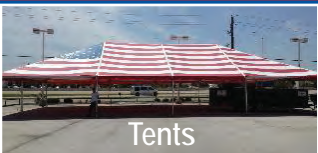

The presenting sponsor for the Terrell Chamber of Commerce Annual Clay Shoot is the Platinum Collection of dealerships. Bronze Sponsors are Eddie Dean/Hickory Roots and Ag Legacy Credit. More sponsorship opportunities are available. Please contact Saydee at 972-563-5703.

Chamber Spotlight

2021: Showing our Strength

Almost a year ago I wrote a column called “2020: A Year that made us stronger,” which reflected on the many opportunities we had to make ourselves and our businesses better. The way that 2021 worked out allowed us to showcase that strength. The excitement of being able to be in-person for many events in 2021 revived our community. The Terrell Jubilee set a new attendance record and had the highest participation rate by vendors in its forty year history. The 2021 Civic Auction used a new format and set records for attendance and the community support was unprecedented. It was great to see families enjoying the Tractor Show in June and the Stanley Ballard

Sr. Christmas Parade in December. As an economy, businesses have survived perhaps the toughest year they have ever experienced. As a city, our leaders have been able to remain pro-business – helping companies stay open while keeping citizens safe. As a Chamber, we’ve been able to adjust and find new ways to continue our support of local businesses and the community. In 2020, we all learned to rethink how we do things. In 2021, the rethink helped make us stronger. The Chamber switched gears in 2020 and continued in 2021 to become a go-to resource for all local businesses. We worked to assist them with

questions related to COVID, PPP loans, closures, occupancy limits, reopenings, guidelines, required signage, etc. To promote local business during a pandemic, we have had to get out of our comfort zones and try new things. Some have worked, some have not. But along the way we have learned that it is possible to be successful without doing things the ways we have always done them. This is a lesson learned out of necessity. Terrell showed strength in Sales tax growth with a 25% increase in taxable sales. This growth can be attributed to the regionality of Terrell as a retail destination. The beginning of redevelopment in our historic downtown and the Shops

at Terrell, combined with the continued growth of the Crossroads at Terrell, makes us a regional destination. As we enter 2022, we are optimistic that we will continue to show our strength. We will continue working together to make Terrell better, despite the virus sticking around. While we know we are not out of the woods just yet, we have learned how to contend with the challenges of Covid-19 and be quite successful in doing so. We want to encourage you to not let your guard down. Let’s all continue to do our part and work together in 2022 to help Terrell grow and thrive. I will close with a quote from NBC Nightly News Anchor Lester Holt that is pertinent as

we continue to work together to grow Terrell. He closes each newscast with “Take care of yourself and each other”. Let’s do that. **Carlton Tidwell**

Q&A with British Flying Training School Museum

Learn all about this featured member, British Flying Training School Museum in this Q&A with Executive Director, Patrick Hotard

What does the BFTS Museum do?
The No. 1 British Flying Training School Museum was established in 1987 to house, collect and display memorabilia from the flight training school at the Terrell Municipal Airport. More than 2,000 British and American cadets learned to fly in Terrell from 1941-45.

How many years has the museum been in operation in Terrell?
The Museum collection was begun in 1987 and housed at the Terrell Historical Society. The collection was moved to its current location 20 years ago.

How was the museum started?
Cadets held reunions in Terrell and Britain after the war and later began collecting items to establish the museum.

Hours: 10 am – 4 pm Wednesday – Saturday. Other times by appointment

Anything else you would like the community to know about BFTS Mu-

seum?
Most of the British cadets were in their late teens, had never driven a car or been farther than a few miles from home. Texas was culture shock. Terrell residents opened their homes and hearts to these homesick teenagers and family relationships have continued through several generations. One cadet, Henry Madgwick, returned to Terrell, married his wartime sweetheart, was elected mayor and helped organize the museum.

Why is Chamber membership important to you?
The Museum attracts visitors from around the world. Some cadet families plan their US travel around visiting Terrell. The tourism efforts of the Terrell Chamber of Commerce help bring visitors to the museum to learn our unique story.
