## Let the adventure begin

Geocaching is an outdoor adventure using GPS technology for a very modern day treasure hunt.

To play, participants use a Geocaching app on their smartphone to navigate to hidden containers called geocaches.

To get started, visit [www.geocaching.com](http://www.geocaching.com) to set up a free account. If you discover some small items or trinkets inside the geocache, it is customary to leave something of equal or greater value.

When you find a geocache, sign and date the log sheet within the cache. To complete the Discover Terrell GeoTour, also obtain the letter code within the cache and record it on this passport to earn a commemorative coin.
