## FreedomFest

Terrell FreedomFest was recently held on July 3 and 4 at the Terrell Municipal Airport. The celebration was kicked off with a hot air balloon glow as well as a concert by A Thousand Horses. The opening act for the concert was Terrell's very own Kaelynn Nikole.

Despite the wind not cooperating and hot air balloon rides and flights canceled, the event allowed for many ways for the public to enjoy FreedomFest activities. Kids zone, tractor shuttle, food vendors, flag retirement ceremony and the amazing fireworks display made for a very happy 4th of July.

Thank you Terrell America for supporting our local events. A special thank you to No. 1 BFTS Museum, Kaufman County Hispanic Council, Terrell Youth Athletics, NE Texas Antique Tractor & Engine Club, Daughters of the American Revolution (DAR), City of Terrell Police, Fire, City Services and numerous other volunteers for making this event happen.

## Q&A with Jayne D. McFadin, The Music Shop at Terrell

**What type of products and services does The Music Shop at Terrell offer?**

We are a full-line music store, music lesson studios coming in April!

**How long has The Music Shop at Terrell been in business?**

I opened in Rockwall in 2005 - just opened this location in Terrell and we are extremely excited to bring our passion for music to Kaufman County!

**How did you get started in your business?**

As a professional musician with a Master's in Music from SMU, I knew God had something more in store for me in the field of music. I didn't have a degree in business nor knew which way to go at first - but it's true that God doesn't always call the equipped, He equips the called! And here we are almost 17 years later opening a second location. Pretty cool stuff.

**What areas do you service?**

I service mainly Terrell, Forney, Heartland, and Kaufman areas. On occasion, I go into Dallas and Rockwall and surrounding areas.

**Anything else you'd like the community to know about The Music Shop at Terrell?**

We're coffee addicts - you will probably always find me with a cup of coffee in my hand!

**What is something no one knows about you?**

COVID brought my daughter back to The Music Shop when she lost her job early in the pandemic. She

had worked for us during her college years & is now coming on board as an owner with me. I couldn't be more pleased, she is truly amazing!

**Why is Chamber membership important to you?**

To be more on the heartbeat of what is happening in our community. To see how best to serve our customers & community in any way we can. We are excited

to get to know everyone!

The Barbara Leatherwood Fight for the Cure raises awareness and funding for Ovarian cancer and other cancers. Our goal is to hold Charity events for all cancer patients in need as well as for Ovarian Cancer.

**How long has your foundation in Terrell been in business in Terrell?**

The Foundation was started in 2019 and we were given our Non-profit status on August 28 of 2021.

**How did you get started in your practice?**

Barbara Leatherwood was my sister in-law who passed away from late stage Ovarian cancer.

We are open 8 a.m. - 9 p.m. 7 days a week.

**Anything else you'd like the community to know about your foundation?**

We are a Christain based Foundation

**Why is Chamber membership important to you?**

"I believe that it takes a Village to fight cancer, so being a part of a community such as Terrell Chamber is extremely important to us. Terrell is where my family is from and I take pride in our tight net community.

Watching business grow and flourish because of the support that they receive from the Chamber is crucial

to success.

We are looking forward to not only meeting and supporting other businesses but learning from them also.

Being a member of the chamber will help us grow as a Foundation through all of their business based activities and contacts.

Being Non-profit we rely on business support.

## Q&A with Ken Nelson, SCR, Inc.

**What services does SCR, Inc. offer?**

General Contractor specializing in insurance claims with exterior storm damage restoration: Roofing, Siding, Fencing, Windows, Gutters etc.

**How long has SCR, Inc. been in business in Terrell?**

23 years

**How did you get started in your practice?**

As a catastrophe adjuster working damage from hurricanes in Florida and Louisiana, I gained great insight into how insurance companies oftentimes do not fairly approve or pay claims. This knowledge is what inspired me to create a business that would level the playing field so our custom-

ers would be treated fairly and their claim paid equitably.

**What are your hours of operation and where are you located?**

24 hours a day, 7 days a week. We work the entire DFW Metroplex, but our main office is in Terrell and our corporate office is in Rockwall.

**Why is Chamber membership important to you?**

We care deeply about our community and want to network and be involved with other people/businesses in our area

## Angie Cooper of Terrell Chamber of Commerce graduates from Institute for Organization Management

*A leadership training program produced by the U.S. Chamber of Commerce*

Institute for Organization Management, the professional development program of the U.S. Chamber of Commerce, is pleased to announce that Angie Cooper, IOM, V.P. of Operations, of the Terrell Chamber of Commerce has graduated from the program and has received the recognition of IOM. Awarded to all graduates of the Institute program, the IOM Graduate Recognition signifies the individual's completion of 96 credit hours of course instruction in non-profit management. In addition, participants can earn credit hours towards the Certified Chamber Executive (CCE) or Certified Association

Executive (CAE), certifications. Nearly 1,000 individuals attend Institute annually.

"Institute graduates are recognized across the country as leaders in their industries and organizations," said Raymond P. Towle, IOM, CAE, the U.S. Chamber's vice president of Institute for Organization Management. "These individuals have the knowledge, skills, and dedication necessary to achieve professional and organizational success in the dynamic association and chamber industries."

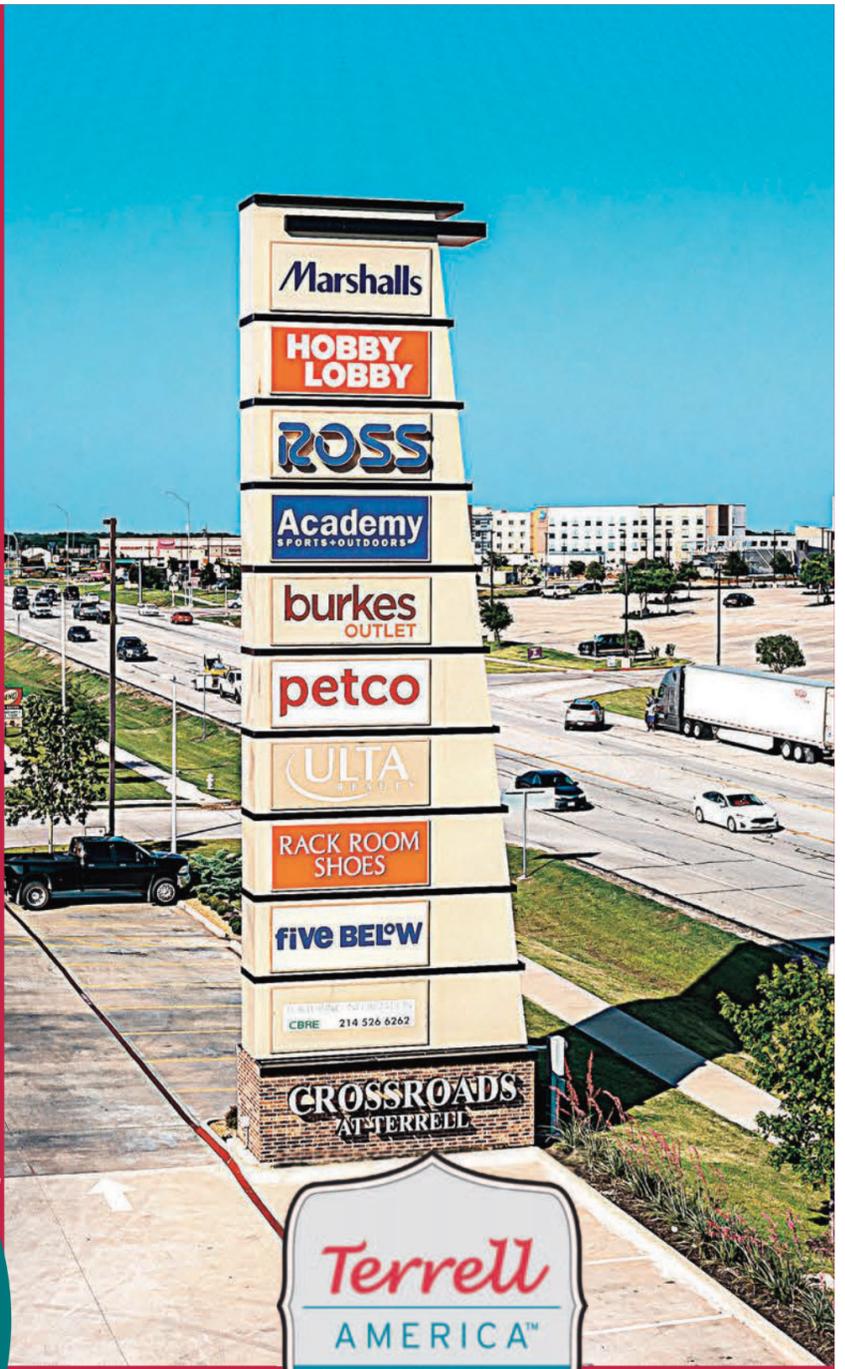

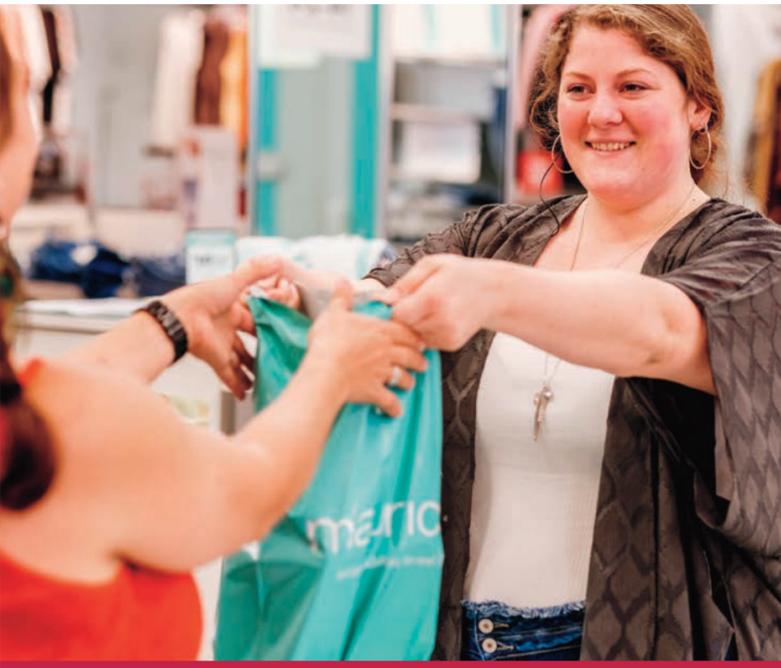

Since its commencement in 1921, the Institute program has been educating tens of thousands of association

leaders on how to build stronger organizations, better serve their members and become strong business advocates. Institute's curriculum consists of four weeklong sessions at four different university locations throughout the country. Through a combination of required courses and electives in areas such as leadership, advocacy, marketing, finance, and membership, Institute participants are able to enhance their own organizational management skills and add new fuel to their organizations, making them run more efficiently and effectively.

Institute for Organization Man-

agement is the professional development program of the U.S. Chamber of Commerce. It is the premier nonprofit professional development program for association and chamber professionals, fostering individual growth through interactive learning and networking opportunities.

The U.S. Chamber of Commerce is the world's largest business organization representing companies of all sizes across every sector of the economy. Our members range from the small businesses and local chambers of commerce that line the Main Streets of America to leading industry associations and large corporations.
