# Travis Regional Armed Forces Committee

# What is TRAFc?

Travis Regional Armed Forces Committee is the local community organization which supports the men, women and missions of Travis Air Force Base. Its membership is comprised of local business and civic leaders, including elected officials throughout Solano County, State and Federal government.

TRAFc members meet monthly with Travis AFB leaders to receive updates on base activities. As a TRAFc member you will gain a deep understanding of the base's role in the Global Air Force mission, as well as local issues facing servicemembers and ways you and your organization may help address these issues. As a business owner, membership in TRAFc also helps to elevate visibility of your services to military members and their families.

Your membership helps TRAFc sponsor events and host functions honoring the men and women of Travis AFB, and supports TRAFc community advocacy to elected officials seeking support for Mission and Quality of Life issues impacting the Travis AFB community.

In short, since 1997 TRAFc has been and continues to be the eyes, ears, and voice of community support for Travis AFB.
