The Most Valuable Resource in Shelby County

The Shelby County Chamber of Commerce is creating partnerships with business and community so we can be your most valuable resource. We can be a valuable part of your daily operations. Let us be your “go-to” source for:

Relationships
Visibility
Information
Advocacy
Credibility

A New Approach to Membership

The Shelby County Chamber's Focus and Goals

- Increase return on investment for members
- Offer products and services that focus on member needs
- Provide relationships, resources and information our members want and need
- Be the voice for the business community

More Choices...More Value!

Our members select their level of membership based on **What You Want**. Businesses and organizations can select from the most basic benefits or they can move up to a higher level with additional products and services, such as marketing opportunities and sponsorship allowances. Of course, all of the products, services and sponsorships can still be purchased separately.

We recognize that not all of our members want or need the same things from the Chamber. This approach allows us to customize membership to fit you and allow our members to receive a greater return on investment.

The Bottom Line...

- This membership structure allows you to invest in pre-packaged programs and services.
- We can offer advice on which programs and services would best fit your company needs and interest.
- Better promotion will improve awareness of opportunities for engagement and marketing.
- Pre-planning all your membership expenses allows you to know your total investment upfront.
- Monthly payment options allow you to spread your membership, marketing, and activity expenses over 12 months instead of making one payment or having several unbudgeted expenses throughout the year.

Mission Statement

We are a cooperative membership that provides networking, information and opportunity while serving as an advocate for the business community.

Marketing and community exposure

Less than 5 minutes after my member spotlight was posted, I got an email from a customer that I had talked to over 3 years ago! He might want to list his home.

Marcia Duncan, Keller Williams Realty

Grow your client base through community events

Just wanted to report a lot of early success since the Showcase! Response to our booth was overwhelming with nearly 70 requests for inspections/consultations. Several have already enjoyed the discounted prices as part of our Showcase Special.

Jerry L. Martin, FPC Shelbyville Pest Control

Networking opportunities and community information

I have found the Chamber to be a very valuable resource in not only getting to know people in the community, but also getting to know all of the great things this community has to offer. This organization is top notch and I would highly recommend it to anyone.

Dr. James Stapleton, Shelby County Chiropractic

Special member deals and discounts

One of the value added benefits is the member discount for office supplies, equipment and printing. For the past two years, the Kentucky Perinatal Association has enjoyed significant savings from using this benefit for printing jobs for our annual meeting. In total the two jobs represent about \$3,000 which was discounted to approximately \$1,600.
