

Look at the connections we are making just for our members!

*"Hi Ray,*

*Thank you for reaching out! We would LOVE to offer your members at Shelby County Chamber the member rate! I have created a code they can use to give them member pricing.*

*They will need to put the following code in at checkout:*

- 10 Hour Course Discount: **ShelbyXXXXXXXX**
- 30 Hour Course Discount: **ShelbyXXXXXXXX**

*If they have any issues getting registered, they can contact me directly and I will get them registered on the back end.*

*Thanks again for reaching out and hope to see Shelby County Chamber Members in the room 😊*
