

Hello!

The Shelby County Chamber of Commerce has been working hard in the background to make sure all our members receive as many benefits to be a member as we can. Whether that be more benefits to all members or more opportunities to network. We understand the value of membership can look very different to many different organizations therefore creating a full spectrum of benefits was very important.

With your level of membership, you receive different credit benefits. Years past we have had members unaware what they are able to use these for therefore we have attached a lay out showing the different options you have depending on your membership level. This gives our members a chance to plan out how to utilize their credits throughout the year and use them where they will receive the most benefit.

We are asking our members to review this information provided and make tentative selections where you would like to utilize your credits and email us this information at Beth@ShelbyCountyKYChamber.com . This will give us an idea for future planning where our members are finding the most benefit and allow us to plan accordingly for hosting the events. We will still confirm with you prior to using any credits to confirm you are still desiring to utilize them at particular chances.

We greatly appreciate all your support and are looking forward to another great year working with all our members! As always, please let us know if there is ever anything we can do for you to help you CONNECT.BUILD.GROW!

Thank you,
Shelby County Chamber of Commerce
