COVID-19 has dramatically impacted our business community, especially hard hit are restaurants, caterers, breweries and wineries. 85% of independent restaurants in our footprint are at risk of closing permanently. We know that these restaurants are the lifeblood of our local communities. In an effort to boost support for our eateries we have created the **"Placer Valley Eats"** project.

The Roseville, Rocklin, Lincoln, and Loomis Chambers of Commerce are excited to bring back our 2nd edition of "Placer Valley Eats," starting in Roseville the week of July 5-11, 2021, continuing on to Rocklin (July 12-18, 2021), Lincoln (July 19-25, 2021) and finishing in Loomis (July 26 – August 1, 2021).

These four weeks are an amazing opportunity for our cities to come together and support local restaurants, breweries, caterers and more. Each city's eateries will have the opportunity to showcase special menu items and promotions to customers during these weeks.

The four local chambers, who have come together under the moniker Placer Valley Chamber Coalition, have been continually at work to advocate, provide exposure and add valuable resources to the local business community during what is a difficult time for many small businesses.

The Placer Valley Chamber Coalition is hopeful this event will be a win for the local business community and will encourage residents to continue to support local restaurants for weeks and months to come.

Everyone's got to eat, so let's dine in or take out and show these businesses how grateful we are to have them in our community.
