

Health/Wellness

Thank you to Dr. Nicole Knapp, owner Knapp Chiropractic for leading this session

- new corona compliance manual
- employees signs off on every change that is made
- clean tables directly in front of patients
- read cleaning bottles directions and made sure we allow the solution to sit for 10 min on tables
- spray chairs after each use
- put away all magazines
- put away massage chair
- put away toys for kids
- put away treasure box
- lysol bomb at lunch and at night
- patient inserts their own credit card and signs with phone...they never hold the phone..
- wipe down phone after every signature
- if a patient uses a pen they now own an amazing Knapp chiro pen
- staff temps taken am and afternoon shit
- no sick patients in my office even if it is a cold
- we ask a whole list of question pertaining to corona
- take temps of all patients
- wear a mask with all patient encounters
- wipe down desk service after each patient touches it
- running our essential oils in diffusers
- washing our hands more and sanitizing multiple times
- all of our cleaners are EPA certified

- changed the schedule so limited patient interaction
- room patients promptly so no hanging out in waiting area
