Graphic file compatability info

- CMYK JPEGs - 150ppi at full size (300ppi scaled to 50% for example)
- Print ready PDF (PDF/X-1a:2001) or (High Quality Print) setting. Any bitmap images down sampled 150ppi at full size.
- Adobe Illustrator, Photoshop or InDesign up to CS5. All bitmap links, 150ppi at full size.

We can also accept some of the more common graphic format files such as .tif, .jpg, .pcx, .gif, etc. However, these files are large bitmap images that are resolution-reliant. A low resolution doc may be fine for a web page or business card, when it is enlarged for a big sign or banner, the image suffers in that it becomes blurry or pixilated with "stair stepped" edges. When sending bitmap files for large graphics the higher the resolution the better.

If you would like Goblen to design/layout your graphics design fees are charged @ \$75 per hour.

For your convenience labels are provided in this exhibitor manual. You must return in advance of the show the Method of payment form, along with the completed Material handling service & rates form.

Advance Freight Shipments (Ship as early as possible)

You get 30 days storage included with Material Handling fees! Warehouse receiving hours are 8:30am – 4:00 pm, Monday – Friday. Shipments can begin arriving May 3rd and should arrive no later than May 28th. Shipments that arrive at the advance warehouse after May 25th. will be charged a late fee of 25% of the material handling fee.
Please ship to the advance warehouse and you will only be charged one-time. It is much less expensive to ship to the advance warehouse and be charged a one-time material handling fee than to send to the hotel and be charged twice for the same service.

At the close of the show, each exhibitor must fill out a Bill of Lading and hand in to the on-site service desk. Outbound shipping forms will be available at the service desk.
