# OVERALL TAKEAWAYS

- We are seeing community spread and a recent sustained increase in cases at or above the highs of previous waves in Ottawa County.
- To change the course we are on, we all need to consistently:
  - Wear a cloth face covering
  - Watch our distance from others
  - Wash hands & surfaces
  - Wisely isolate and quarantine – that means not leaving your home except for food or medical care
- Our decisions affect our community; if we choose not to take precautions, cases will go up affecting:
  - Schools
  - Courts
  - Long-Term Care Facilities
  - Businesses
