

Once logged in to your Chamber Account, click "My Business Directory Listing" to update the following:

- Contact Info – your general business information
- Search Description – displayed in the search results
- Description – displayed on your Business Profile
- Keywords – how your business can be searched
- Highlights – place to add additional information or links
- Images – upload images of your work or business
- Videos – upload videos of your work or business

Quick Tips:

- Add your logo to your profile
- Under Contact Info add your social sites (Facebook, LinkedIn, etc.)
