

PARKLAND COUNTY COVID-19 ACHESON TRANSIT UPDATE

Effective Wednesday, March 25, the City of Spruce Grove has temporarily suspended fare collection on all Spruce Grove busses. All entry on commuter busses will be through the rear doors only.

Effective Monday, March 30, transit Route 562 will be permanently cancelled. Route 561 will continue to operate on its usual schedule. The Acheson Shuttle will continue to run from Zone 1.

The cancellation of Route 562 is due to the current situation with COVID-19, as well as an ongoing decline in ridership.

As the situation with COVID-19 is rapidly changing, we want to assure residents that Parkland County is closely monitoring the transit operations. The health and safety of our staff and our community is our top priority, and we are committed to taking the necessary steps to prevent the spread of the virus while also ensuring that we continue to provide essential services to our residents. We recognize this is a challenging time for many of our residents and we would like to thank you for doing your part to prevent the spread of the virus.
