ABOUT COMPLETE SEPTIC SERVICE

We began Complete Septic Service in 2016 with the dream of becoming a fully self-employed, family-owned business. Fast forward seven years and we have been able to do that and more. We were fortunate enough to purchase another local septic business in 2019 which helped us grow our customer base and we've been blessed to see things continually grow and expand.

WHY JOIN THE GMACC?

Being a part of the Chamber of Commerce has been a great investment for us locally. It's a great way for us, as a small business, to be a part of a larger network of professionals who give back and supports the community.

WHAT IS THE MOST INTERESTING PART OF YOUR BUSINESS?

Meeting our customers! In the handful of years we've owned and operated Complete Septic Service we have developed some great relationships with some great people in and around Madison and surrounding counties.

WHAT IS SOMETHING ABOUT YOUR BUSINESS YOU ARE MOST PROUD OF?

Being able to provide a service to people when they need it most. There's nothing better than averting a crisis or coming to the rescue in the midst of an unpleasant situation. Being able to leave people in a better place than they were when we arrived is something we take pride in and find very rewarding.

WHAT IS SOMETHING MOST PEOPLE DON'T KNOW ABOUT YOUR BUSINESS?

We do more than just septic pumping. Much of our time is spent providing drain cleaning services as well as septic inspections.

WHAT WOULD YOU TELL SOMEONE THAT'S CONSIDERING JOINING THE GMACC?

The Chamber continues to grow and improve and it's a fantastic opportunity to be a part of a progressive and forward-looking group of businesses and organizations.
