HERITAGE HME SENIOR LIVING

ABOUT HERITAGE

Heritage Senior Living, a 24 bed assisted living community in Madison, SD.

WHY JOIN THE GMACC?

We chose to join GMACC to maintain our foothold as a strong member of the community of Madison.

WHAT IS THE MOST INTERESTING PART OF YOUR BUSINESS?

We provide care to our residents at many different levels. From simple meals to helping with Activities of Daily Living, we simply want to be a bright spot for those who have entrusted us with their residency within our community.

WHAT IS SOMETHING ABOUT YOUR BUSINESS YOU ARE MOST PROUD OF?

Heritage has a long-standing history of being a quality place to live. While being a part of the community of Madison, we think of ourselves as a community within a strong, growing community.

WHAT IS SOMETHING MOST PEOPLE DON'T KNOW ABOUT YOUR BUSINESS?

We are a growing Assisted Living Community. We are expanding into another campus next to the hospital! Opening next summer, we will have 30 AI beds, 19 IL beds, and our current building will be converted into a 24 bed memory care.

WHAT WOULD YOU TELL SOMEONE THAT'S CONSIDERING JOINING THE GMACC?

As we have made the decision to continue our investment into the community of Madison by expanding our community to 60 beds, our partnership with the Madison Chamber has been a major help! We look forward continuing our membership!
