December 10 Luncheon Pizitz Middle School Girls Choir Holiday Performance

The Pizitz Middle School Girls' Choir was founded in 1999. Its founding purpose was to offer a more challenging musical atmosphere for girls at Pizitz who wanted more opportunities to learn and perform choral music. This 75-member choir consists of both seventh and eighth grade girls who are selected through an audition process based on vocal skills, sight-reading, ear training, and musicianship. Members of this group are involved in a variety of extracurricular activities such as; volleyball, basketball, dance team, cheerleaders, school and community theatre, softball, majorettes, math team, scholars bowl, bowling, tennis, soccer, golf, and school ambassadors.

Over the tenure of the group's existence, the Girls' Choir has given concerts for several Alabama Senators, Congressman and Governors, in St. John's Cathedral and St. Paul's Cathedral in New York City, and The National Cathedral and the Basilica of the National Shrine of the Immaculate

LUNCHEON SPONSOR

OnTime Service

Hi, I'm Kerry Adkins, the president of OnTime Service. Thank you for your interest in our company. If I may, I'll tell you a little more about us and about how we work to serve our customers.

My father, George Adkins, began the business in 1975. Eight years later, I joined him as an apprentice electrician. In those days, we were involved in commercial and residential electrical service and new home construction. Since 2005 we have focused exclusively on residential service and repair. I am proud to say that we have served our community for over 40 years. We have worked in thousands of homes and on hundreds commercial projects in Jefferson and Shelby Counties.

We changed the company name from Adkins Electrical to OnTime Service a few years ago to communicate our passion for arriving on time at customers' homes. We back that up with our promise: We will be there on time or we will pay the homeowner \$59.

The new name also allowed us to expand into other home service areas. In 2014, we added a heating & cooling division. And in 2016, we began our plumbing division. In April of this year we expanded with an office in Daphne. Today, homeowners in Jefferson and Shelby Counties and the Eastern Shore/Mobile Bay Area can turn to OnTime Service for installation and repair of virtually any electrical, heating & cooling or plumbing need they have.

Gary Jordan

These are Christmas traditions we have come to know and expect. Have you ever wondered what Christmas traditions might exist in other countries? Some might even seem a little weird. Let us take a look at three.

Finland - Many homes in Finland come equipped with their own sauna, and at Christmas time this cozy spot becomes a sacred space associated with long dead ancestors. On Christmas Eve, it is customary to strip naked and take a long and respectful stint in the sauna. After the sauna session, Finns head out to the evening celebrations - while spirits of those ancestors take their place.

I do not know about you, but this tradition sounds a little awkward to me for those big Christmas family gatherings.

South Africa - When you think of Christmas food, ham and turkey are often high on the list. In South Africa, however, local children look forward to fried caterpillars at Christmas time. Not just any caterpillar but the Pine Tree Emperor Moth or (you guessed it) the Christmas caterpillar which is covered in very festive hues - giving all who swallow it a little extra luck in the coming year.

This tradition seems a little “creepy” to me.

Spain - Easily a most outlandish Christmas tradition, meet Tió de Nadal, the Christmas poop log. Tió de Nadal is made from a hollow log, with stick legs, a smile, and a red hat. Every evening between December 8th and Christmas Eve, the children feed the log small treats with water, and leave him under a blanket to keep him warm. On Christmas Eve, after Tió de Nadal is properly beaten and serenaded with traditional Christmas songs, the log magically poops out presents and candy - where he is then considered useless and thrown in the fire for warmth. Candy from a poop log! I will pass on that one.

Wishing a Merry Christmas and Happy Holidays to you and your loved ones.

Gary Jordan
Summit Franchising Group
Board Chair, 2019

From the President...

As we come to the close of another year, I want to take this opportunity to thank the many wonderful people that spend countless hours making our community a better place for all. Our citizens continue to amaze me with their energy and focus on making Vestavia Hills a great place to work, play and live.

More importantly I would like to thank you, our Chamber member, who is the heart and soul of not only this organization but this community. Your continued support means so much to me. Our organization is blessed by your commitment to our community. The success of our businesses enables us to enjoy the many services provided to us as residents. THANK YOU for your perseverance and your commitment to Vestavia Hills. You are simply the best!

Karen Odle

Congratulations to our Businesses of the Year for 2019. We select one business in the Service sector and one in the Retail sector. For 2019, we would like to acknowledge Donato's Pizza and owner Robert Sullivan as the Business of the Year – Retail for his commitment to Vestavia Hills. Robert works tirelessly serving and supporting Vestavia Hills. If there is a community event, he and his staff will be there serving. They feed the Fire, Police, Relay for Life (renamed RISE this past year), Helping Hands volunteers as well as many of the athletic organizations and is first to step up when door prizes are requested, teacher gifts are needed or sponsorship for the many youth sports teams. He also rolls up his sleeves with his work with the Men's Garden Club keeping the corner of Shades Crest Road and Highway 31 beautiful! Robert is a joy to work with and his passion for Vestavia Hills shows...he has truly made a difference in his city and the retail community. Congratulations Robert!

Also, Congratulations to Philadelphia Baptist Church for being selected for Business of the Year – Service for their commitment to Vestavia Hills. When we were looking for an alternate location this past spring to host the Back 2 School event, we approached Philadelphia Baptist about allowing us to use a graveled parking lot in the back of their church. They stepped up and not only agreed to host the event, but also began a construction project earlier than planned to have it completed before the event took place in August. Not only that but they were there the entire evening helping with all of the housekeeping items that were needed. We are so grateful for organizations like this and their willingness to partner with the community. They certainly demonstrate "A Life Above" in all they do. Congratulations Cory and David and thank you for helping us!

Lastly, I would like to thank the Board for all of their support and hard work this year and to Gary Jordan with Summit Franchising for his great leadership as Board Chair for 2019. It has been a wonderful year! The Board of Directors are fantastic...we are so blessed to have so many folks willing to serve their community! Also, my sincere appreciation and gratitude to the Chamber staff for their dedication and commitment to our goals in 2019. We must continually "sharpen our saws" with new programs and offerings and Katie Woodruff has been incredible in her leadership and diligence toward this end and keeps us on track with our goals and events. Betsy Webster has worked with us since April and has brought an incredible talent in taking our social media up a notch as well as developing videos for our businesses. Our Membership and Marketing Consultant Lisa Christopher is unparalleled in her passion and commitment to the Vestavia Hills Chamber, the business community and Vestavia Hills as a whole. They are each to be commended for their unparalleled commitment in their efforts to make a difference for each business they work with in Vestavia Hills and the greater Birmingham area. Their efforts have made the Vestavia Hills Chamber of Commerce the premiere chamber in Alabama! YOU ARE THE BEST! It is my distinct pleasure to work with you and to have your support.

Unity. Prosperity. Family.

No matter if we are hiring licensed heating and cooling technicians, electricians or plumbers, we are very selective about the team members we add. We conduct extensive background checks on prospective employees and, once hired, we perform random drug tests. We insist that our employees are professional, neat, and clean, that they have no visible tattoos or piercings and that they are non smokers.

That's another promise we make: If an OnTime Service employee ever smokes, swears or leaves a mess in a customer's home, our service is free.

OnTime Service has memberships in Electricians Success International (ESI), an association of the top five percent of electrical contractors in the United States and Canada, and Airtime 500, an international association of the very best HVAC contractors. These organizations provide training and best-practice systems to help us provide outstanding service to our customers. Our team members have received awards and recognition from these organizations for their performance.

OnTime Service is a member of the Better Business Bureau, Homewood Chamber of Commerce, Vestavia Chamber of Commerce, Hoover Chamber of Commerce and National Fire Protection Association.

We love to support local charities. If you are aware of a worthy and effective local charity, please contact us with their information. We host representatives from charities periodically to educate our team about their work and then we decide as a team which charity we will support. We really enjoy hearing firsthand about the great work these organizations are doing in our community.

My wife, Carol, and I are Christians and are actively involved in a local church, so our business is based on Christian principles and ethics. We are honest and upfront with everything we do. That is why we quote all jobs before we start and offer a 100 percent satisfaction guaranty. We are not perfect but we make every effort to take responsibility for our mistakes and correct them. I believe it is possible to operate our business in a way that creates a win, win, win situation. That is, our client wins by receiving outstanding service and value, our team member wins by earning a good wage and having a positive, supportive work environment and our company wins by earning a profit for our effort which allows us to grow and provide more jobs.

Carol and I are thrilled to have the team of professionals who work with us. And we are humbled by the thousands of Birmingham-area homeowners who have entrusted us to take care of their electrical, heating & cooling, and plumbing needs.
