Liberty Park Joint Venture

Unlike most hometowns, Liberty Park’s story started with nearly 4,000 acres of spectacular land and a heartfelt mission to responsibly create a community so grand in thought and design that it would naturally bring together the traditions of yesterday, the lifestyle of today and the promises of tomorrow.

Here is a hometown as hometowns were always meant to be. Inspired by The City of Vestavia Hills and other cherished American hometowns, Liberty Park is a place both comfortably familiar and adventurously forward. Designed as a Master-Planned Community, Liberty Park is home to Vestavia Hills highly-rated Liberty Park Elementary and Middle Schools. And with more than 1,500 families who have already chosen Liberty Park as their hometown, it’s a remarkable place where children ride bikes to school and race to the playgrounds. Where families gather at the pool, tennis courts and each other’s backyards. And where lakes, parks and walking trails mean the great outdoors is very much part of your everyday world.

With the recent announcement of its new town village, The Bray, Liberty Park continues to fulfill its 2020 Vision Plan. Located adjacent to the new Encompass Health corporate headquarters, Liberty Park’s 700-acre, multi-phased Town Village is expertly planned to serve as a true live, work and play environment. The Town Village will include pedestrian walkways, an expansive Town Green and gathering places all designed to honor our hometown

I am honored to serve as the Chair of the Vestavia Hills Chamber of Commerce in 2020. It is a very exciting time to be a part of Vestavia Hills. In 2020, the City of Vestavia Hills will celebrate their 70th birthday and the Vestavia Hills City Schools will celebrate their 50th birthday. The Vestavia Hills Chamber of Commerce is proud to have these two partners as we continue to make the city of Vestavia Hills the best place possible for our businesses and our citizens.

This year will also see many changes within our city, whether it is the new ball parks opening in Cahaba Heights and Wald Park, the new pool at Wald Park, the work beginning on the new community center or the opening of the new Pizitz Middle School this fall, it is a time of change within our community. I am excited to be a part of what is happening in our City and these changes will help our city be prepared for the next 70 years.

The Vestavia Hills Chamber of Commerce Board of Directors is working to implement a strategic plan which was developed in 2019. This is a long term plan to insure we continue to provide the resources and structure for our members and local businesses in order for them to be successful both in the short term and long term. There will be a three to five year implementation plan and more information will be coming out about this throughout the year.

We already have a large number of ribbon cuttings planned. I would encourage you to take the time and attend some of these ribbon cuttings. It is important for our members to welcome our new businesses when they open and continue to support them in the future. I look forward to serving the Chamber in 2020. On behalf of the entire Board of Directors, I ask you to help us make 2020 the best year possible for our Chamber and our community.

John Henley
John Henley-State Farm Insurance
Board Chair, 2020
From the President...
Your Chamber Board of Directors has been hard at work planning for 2020. We had our annual planning retreat on January 16th with the board discussing goals for the year and ways to enhance both the quality of life and the economic well-being in Vestavia Hills. I sincerely appreciate our Board members taking time from their busy schedule to devote their time, energy and talents to help Vestavia Hills businesses as economic development is really kicking into high gear in our community.

Our Business Development Committee (BDC) led by Vice Chair Taylor Burton with Taylor Burton Co., Inc. had their first meeting on January 28th which was pushed back a week due to the change in our Annual Meeting. The committee discussed goals for 2020 which were discussed at the retreat. These include:

- Survey Membership to explore their needs and how the Chamber could help them meet those needs.
- Present “Safety Seminar Series” in conjunction with the Vestavia Hills Police & Fire Departments on topics such as: A) Active shooter situation; B) Medical emergencies in the workplace; C) AED/CPR training; D) Crime Prevention in the workplace.
- Find ways to increase and promote the value of Chamber membership; publicize the Chamber’s Health Plan offering through Cahaba Benefits Group and promote the “Pigs” with the Shop Dine Play project.
- Continue Partnership/Mentoring with the Vestavia Hills High School City Youth Connection (CYC)

We will continue spotlighting our businesses each month at the monthly luncheons so call our office and let us know what month you would like to spotlight your business. Make a point to stop by these booths at the luncheon to check out what these businesses offer. Many other projects are in the works for our area businesses so join this committee to stay in the loop on what is happening in Vestavia Hills.

Our Vice Chair of Programming, James Robinson with Spire has lined up a stellar list of speakers for the year. Be sure mark your calendar for the 2nd Tuesday of each month to join us for outstanding programs and some great networking. If you have any recommendations for interesting speakers, please reach out to James or me as we keep a file for future use.

Marty Martin with B. L. Harbert International, Vice Chair of Community Affairs, has been working to lay out a great event schedule for 2020 which will begin with the Mayor’s Prayer Breakfast scheduled for April 28th with Brodie Croyale, Executive Director of Big Oak Ranch as our Keynote Speaker. He will be a speaker you will definitely want to hear as he has an incredible story to share about the Big Oak Ranch. We have our kick off meeting scheduled for February 26th at 11:30 AM at the Chamber so let us know if you would like to be involved with this rewarding committee.

Erin Holtz with Pure Fitness is heading up our Membership recruitment and retention and will be working closely with Lisa Christopher, our Membership and Marketing Consultant. She will be working on a Retention Campaign so be looking for ways to get involved with this if you would like to reach out to fellow Chamber members. If you are interested in working on a fun team, please contact Lisa at lisac@vestaviahills.org or Erin at purefitness01@gmail.com Please encourage your business contacts to join the Vestavia Hills Chamber in our efforts to support our community and collectively make a difference.

Vice Chair of Public Education is Kelly Bottcher, a community volunteer. She is working with the PTO representatives from each school to connect the needs of the school with local businesses. She will do an outstanding job in helping each of these entities with their ongoing needs. If your business wants to get involved, contact Kelly at bottch@bellsouth.net

New Member Orientation is scheduled for February 10th at 5:00 PM at the Chamber office. If you haven’t had a chance to attend one of these, please join us. We will have you on your way no later than 6:00 PM. Let us know if you are coming by emailing betsyw@vestaviahills.org
