Summit Franchising Group
Board Chair, 2019

From the President... Can you believe we are almost half way thru 2019!!! It has been a crazy spring with summer coming first! While we are always watching the weather hoping for a dry day for our I Love America event, we could use some rain before then!

Karen Odle

We are excited about the 38th Annual I Love America (ILA) Night which is always a great time for our community to come together and celebrate the freedoms that we have in this great country and to honor our military. We are so very grateful for Vestavia Hills High School (VHHS) along with Principal Dr. Tyler Burgess, Athletic Director Jeff Segars and President of the Concession Stands Frank Hernandez for partnering with us as we had to find a new temporary home for ILA due to the construction at Wald Park. They not only opened their doors to the community but have stepped up and gone the extra mile to help us make the event a success. The Pops in the Parks will this year be moved into the VHHS auditorium so we will still be able to enjoy the sounds from the Shades Mountain Baptist Orchestra – in air conditioning and comfortable seats! What could be better than that!! We will continue to have a children’s area hosted by Vestavia Hills United Methodist Church volunteers in the parking lot in front of the football field concession stand alongside our Business Expo of over 60 businesses...the movie will also move indoors to the “new” gym so we also will have a concession stand open there so be sure to bring a blanket or chair but we will also have the bleachers available if you want to sit on those. The movie has been chosen by popular vote and will be announced soonSO we are looking forward to a bigger and better ILA than ever before.

We have several Ribbon Cuttings and Grand Openings coming up over the summer months so please check our website calendar and plan to attend all of these that your schedule allows. It means so much to the new businesses that choose Vestavia Hills and it is a great way to get to know them as well as their staff so be sure to welcome them to our city. Summertime is extremely slow even in the best of times so make sure you “Shop Vestavia Hills First” to help our businesses stay in business! Be sure to visit our local restaurants and save your receipts as part of “Savor the Summer” in Vestavia Hills and win cash prizes! Check elsewhere in this newsletter for details and “support local businesses” to help keep them in business!

Check out our mobile app at VH2Go (you can download it for free at your app store), check the Vestavia Hills Living magazine or check our website at www.vestaviiahills.org for members by name, product or service to see the wide variety we have available in our chamber. As this newsletter goes to press, so does our 2019 Vestavia Hills Living magazine. Be on the lookout for this to hit your mailbox by the end of the month. We hope that you enjoy it as much as we did putting it together. Have a great summer and I hope to see you at “I Love America Night”!

Unity. Prosperity. Family.
