Join Bangor Savings Bank and other local experts in a question and answer session regarding the most recent Paycheck Protection Program (PPP) funding. There is still a substantial amount of PPP funding left to help qualified businesses.

Not sure if you qualify for PPP funding? Want to know the differences between second and first time funding? How does the PPP funding impact your taxes? Have these and other questions answered by a team of professionals during these open conversations.

There is no cost and you do not need to be a Bangor Savings Bank customer to participate.
