Groundbreaking for Orlando Virgin Trains

Virgin Trains USA, the first for-profit rail service to launch in the U.S. in decades, says it's on track to begin ferrying passengers between West Palm Beach and Orlando in 2022. In November, British billionaire Richard Branson, head of the Virgin Group of travel companies, announced a partnership with Brightline, a deal that included putting the Virgin name on the company's trains. All Aboard Florida, which operates Brightline, is owned by an affiliate of Fortress Investment Group LLC, a global investment management firm. The South Florida Business Council, consisting of the Greater Miami Chamber of Commerce, Greater Fort Lauderdale Chamber of Commerce, and the Chamber of Commerce of the Palm Beaches have been supporters of the Brightline/Virgin Trains project from its inception.

Park-Line Palm Beaches is located in downtown West Palm Beach adjacent to the Virgin Trains train station for easy connections to Fort Lauderdale, Miami and, in 2022, Orlando. Nearby Rosemary Square and Clematis Street offer an enticing variety of shops, restaurants and live events. Amenities indoors and out, including a 28,000 square-foot outdoor deck with a yoga lawn, heated pool and cabanas located on the 12th floor, create a one-of-a-kind rental experience for spacious studio, one- and two-bedroom luxury residences.

Coyo Taco Hosts June Business After Hours

Over 80 professionals came out for an enjoyable networking event on Wednesday, June 19 at Coyo Taco – one of Palm Beach's freshest Mexican street food experiences. At Coyo Taco, guests enjoyed sampling local craft beers, margaritas, and their homemade guacamole, which is smashed to order and tortillas that are handcrafted on-site, in an authentic Mexican tradition. General Manager Ron Soderblom shared with our guests that they can rent the newly-renovated back room, which holds over 90 people, to host private parties and corporate events.

Krasker Law Firm Wins Chamber Annual Golf Tournament

This year's golf tournament took place at the Breakers West Country Club and was won by the Krasker Law Firm. The team, which consisted of Nappy Tranter, Brandon Smith, Mindy Sepinuck, and Paul Krasker scored 56 to emerge ahead of the 21 other teams that competed in the event. Additional excitement kicked in when Kyle O'Neil, on the Jupiter Medical Center Team hit a "Hole-In-One" with a 137-yard drive on the 8 hole with a pitching wedge. His teammate, Colin Hickey said "A stellar golf shot. Right on line, one hop into the hole - unbelievable shot". Another teammate, JR Taddeo was also an enthusiastic witness for this rare golf shot. The Hole-In-One sponsor was Schumacher Automotive Group, with four prizes, including a new car, on the PAR 3 holes. The day was reportedly enjoyed by everyone with breakfast courtesy of Jupiter Medical Center Foundation, ices from Rita's Italian, and sliders from Ruth's Chris Steakhouse.

ADVANCES IN TREATMENT OF ABDOMINAL CANCER DISCUSSED AT JUNE BREAKFAST

Jupiter Medical Center was the presenting sponsored at our June Breakfast. The keynote speaker, Dr. Shanel Bhagwandin, is a fellowship trained surgical oncologist and a board-certified general surgeon. Due to Dr. Bhagwandin, Jupiter Medical Center is the first hospital on the east coast of Florida to perform Hyperthermic Intraperitoneal Chemotherapy (HIPEC) to treat late stage abdominal cancer. There are only a handful of surgeons nationally, who have the skills to perform this procedure.

Attendees were informed that obesity, which causes inflammation, was the leading risk factor related to most gastrointestinal related cancers and that as obesity rates rose nationally, so did the numbers of these cancers reported annually. Dr. Bhagwandin shared: "Except for breast and colorectal cancer, the number of weight-related cancers is expected to increase by 30-40% by 2020" and "Pancreatic cancer is on track to be the second highest cancer-related cause of death by 2020". He added that Jupiter Medical Center used a unique "Multidisciplinary Approach" to treatment via "thorough, highly compassionate, coordinated care, specific to each patient," and a team that included world-class oncologists, radiologists, geneticists, gastroenterologists, pathologists, and nutritionists.

Prior to Dr. Bhagwandin's presentation, Liv Vesely accepted a check for \$1,000 on behalf of the Jupiter Medical Center Foundation. This was donated from the proceeds of the 2019 running of the Chamber's annual Women for Women Road Race, which takes place on Mother's Day weekend.

For more information on future events or sponsorship opportunities, please contact Michele Sacher, at msacher@palmbeaches.org.
