Inspector General Speaks at June Trustee Luncheon

On June 28, Chamber Trustees gathered at Ruth's Chris Steak House on Okeechobee Boulevard for the June Trustee Luncheon. John Carey, inspector general of Palm Beach County, was the guest speaker. Carey, a former U.S. Marine, provided insight into the operations of the Office of the Inspector General (OIG), an objective and independent body established through a public referendum with the authority to inspect, investigate and recommend corrective action in the

John Carey

event of reported unethical behavior. Carey welcomed requests for education sessions and invited Trustees to subscribe to the OIG's newsletter for valuable information on how to be mindful of good public or private business practices. For reports and more information about the Office of the Inspector General of Palm Beach County, visit OIG Home (pbcgov.org). For more information on the Trustee program, contact Kirby Davis at 561-833-3894 or kdavis@palmbeaches.org.

Pitch Perfect Networking

Isla & Co. was the venue for our first Pitch Perfect Networking event on July 26. The event presented a unique opportunity for entrepreneurs and business executives to practice their networking skills in a more relaxed setting.

Hosts Isla & Co. provided coffee and light refreshments while participants navigated their way through a

10-minute conversational round in random pairs. Volunteers shared what they learned about each other and gave feedback on how the other did during their brief conversation.

We thank all our guests and Isla & Co. for helping to make this event a success.
