

THE **LEGACY AWARD**

OUTSTANDING CITIZEN

BAXLEY-APPLYING COUNTY CHAMBER OF COMMERCE
NOMINATION PACKAGE

INTRODUCTION

Regardless of where you stand ideologically, we can all agree that year 2020 has changed our lives, businesses and organizations. The Chamber Board of Directors took some time last year to evaluate several programs and set up some committees to reimagine how we accomplish the goals of educating, empowering and engaging with our business community.

The awards committee, made up of board members and Chamber Members at large, had extensive discussions about the current awards, nomination process and options for improving how we recognize excellence in our community. After multiple meetings, the consensus of the group was that we should focus on individuals within our community that have gone above and beyond within their businesses. The newly established awards include an Employee of the Year as well as a Business Leader of the Year. Additionally the Citizen of the Year award will now be presented as the Appling County Legacy Award. Details about each are below.

Employee of the Year: This award shall be presented to an employee of a member business that has made a significant impact on the operation of the business. As a pivotal part of the business environment, this person will be recognized for the specific ways they contribute to the overall success of the company.

Business Leader of the Year: Replacing the Business of the Year, the Business Leader of the Year will be presented to an individual that has excelled within a leadership role in a member business. This individual is innovative, motivating to employees and civically engaged. This recipient may have acquired a long term record of service or may have made one outstanding contribution that made a major impact in their business, industry and/or community.

Appling County Legacy Award: Replacing the Citizen of the Year, the Legacy award recognizes an individual in our community that has given their time and talent to build a better tomorrow. This individual does not have to work at a member business.

The Chamber Awards Committee and Board of Directors know there are so many deserving individuals in our community that help our businesses remain successful. Since the onset of COVID-19 we have seen the resiliency of our business community and the boundless impact individuals in those businesses have on outcomes. More information on criteria, considerations and how to nominate an individual can be found on our website.
