The Roane County Youth Leadership is a
program of the Roane County
Chamber of Commerce.

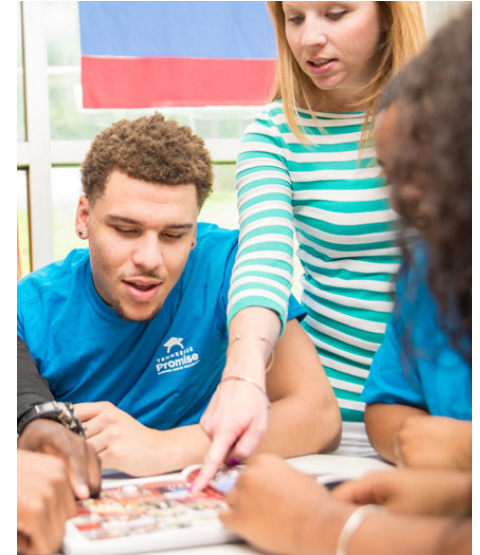

PROGRAM GOALS

Teach leadership skills for becoming respectable citizens

Provide opportunities to apply the skills learned through communication, collaboration & creativity

Develop future leaders by reaching out in the community & building relationships

ACTIVITIES & PROJECTS

Students participate in classes and activities that increase their understanding, development and use of leadership skills. They are provided with an opportunity to apply these skills in a meaningful, positive manner with a focus on organization, communication & creativity.

At the conclusion of the program, the class presents a plan for a community service project to be completed during the next school year.

YOUTH LEADERSHIP

Roane County Youth Leadership serves the high school students in Roane County. Selected students from each of the five Roane County high schools, home schooled and other high school entities may participate in this program.
